GOOD LUCK TO ALL OF TEAM GB
AT THE OLYMPICS IN RIO, BRAZIL

Pianist Volunteer Required

Here at Tennyson Wharf Care Home, Burton Waters, Lincoln we have a beautiful piano and residents of all abilities who just love to sing.

We wondered if any Parishioners of the Springline Parish and Owmbly Group of Parishes would care to spend an hour or so on a Saturday afternoon playing the piano for us to sing-a-long to and join in with our fun?

For further information please contact Dawn Houtby, Activities Co-ordinator on Lincoln (01522) 530282 (Mondays and Tuesdays). We very much look forward to hearing from you. With our thanks, in advance.

FROM THE MINISTRY TEAM

As I write it is the last week of the school term, and our schools are busy with end of year activities. For many of them that will include marking times of ending and moving on, celebration of achievements and sharing of memories. There will no doubt be laughter and tears. There will be expressions of love, excitement and anticipation of new things to come within our school families. It is good when we offer all this in prayer and thanksgiving to God, our heavenly Father, in an act of collective worship in school or in church. The ministry team pray with you and for you, and wish all pupils, staff and families a safe and very happy holiday time.

As I write our country prepares for a change of prime minister and to leave the EU. There are feelings of loss, anticipation, fear, hope, uncertainty, and more, in all our hearts and minds. We might want to pray for everyone effected by this great change, ourselves, our families, those we know personally and those we do not know. For our prime minister and government, and all active in public service.

Twice in recent weeks we have reflected in our worship on Jesus's parable of the Good Samaritan. St Luke tells this story in Chapter 10 of his gospel (Luke 10 verses 25-37.) A lawyer - an expert in the understanding and practice of the Law given by God for the guidance and wellbeing of His people - challenged Jesus by asking Jesus what he must do to be part of the Kingdom of God, the life of the coming age 'What must I do to inherit eternal life?' Jesus' answer is a good way to answer a lawyer, "What does the law say?" The lawyer gives the correct response, one which Jesus himself has given when asked what is the greatest commandment in the law.

'You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbour as yourself.'

'And who is my neighbour?' is the lawyer's repartee, and his next challenge.

Jesus replied with a story that is as challenging to us all today as it was to that lawyer.

'A man was going down from Jerusalem to Jericho, and fell into the hands of robbers, who stripped him, beat him, and went away, leaving him half dead. Now by chance a priest was going down that road; and when he saw him, he passed by on the other side. So likewise a Levite, when he came to the place and saw him, passed by on the other side. But a Samaritan while travelling came near him; and when he saw him, he was moved with pity. He went to him and bandaged his wounds, having poured oil and wine on them. Then he put him on his own animal, brought him to an inn, and took care of him. The next day he took out two denarii, gave them to the innkeeper, and said, "Take care of him; and when I come back, I will repay you whatever more you spend." Which of these three, do you think, was a neighbour to the man who fell into the hands of the robbers?' He said, 'The one who showed him mercy.' Jesus said to him, 'Go and do likewise.'

We live in a society that is indeed founded on Judeo-Christian principles and that is the basis of our law. We live in a society which is enriched by people of different cultures and faiths.

Jesus' parable challenges us all to understand and accept that our neighbour, whom we must love and value as we love and value ourselves, is not only the person we readily think of as such, but those who we might be very surprised, even shocked to think of in this way. Put yourself in the position of the wounded man, vulnerable, in desperate need of help. Would you accept aid offered by the most unexpected person? I think I would.

If we can accept that call to extend love and grace to the whole world, we shall enter the kingdom of heaven, made closer here and now.

Let that be our hope and our prayer for ourselves, our country and our world.

May God bless us all.

Julia Hepburn

BISHOP OF GRANTHAM'S LETTER

Dear Friends

I hope you will understand when I say that I have been really unsure as to what to write in this letter for August.

A number of drafts have ended up 'on the floor'.

How to write something that is appropriate for our times - when the times seem to be so fast moving?

Every time I get some words down on paper, something big seems to happen in the world, the latest being the arrival of a new Prime Minister.

In the face of such upheaval, what are we to do and to say?

Well, I am going to say in this letter what I have been saying to people as I have met them face to face over the past few weeks, and what I usually ask people in more normal times as well: 'How are you?'

This is a genuine question. I really am interested in the answer. If we can do nothing else in a highly-charged, confusing, fast-moving context, in which emotions are all over the place and hopes and fears are clashing pretty equally, on different subjects, I can at least enquire about how people are feeling, and listen to them: 'How are you?'

People matter. Everyone. We are all God's children. We are all flesh and blood with feelings, aspirations and anxieties. My faith tells me this. My understanding and following of Jesus tells me this.

So: 'How are you?'

However you are, whatever you are feeling at this complicated time, please know that you are loved by God. Please also know that my fellow bishops and I are concerned for you and for the people who are on your heart.

Sometimes it is difficult to express this concern in ways that really connect - time is limited and I am all too aware of the people for whom I have care and for whom I don't think I have demonstrated that care in action very well. These people and situations become a matter for my prayer and my sorrow.

But, in common with everyone, having made my confession I then need to return to the practical opportunities that I do have to put my care into action.

So, during this complicated summer, know that you matter, and join with me, please, in putting care into action. And do feel free to reply to my question, if you choose!

May God bless you, and may you have a very good August.

+ Bishop Nicholas

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Some of you might be able to remember a time when summer was a time for outdoor activities in fine weather in the run-up to the end of the school year. Times have changed in recent years and we now consider ourselves very fortunate to enjoy school sports day outside and on the day it was originally planned. This year, despite the best attempts of the weather, was one of those increasingly rare occasions. A great time was had by all (although there were one or two grown-ups who might have something to say about that after their three legged race!).

Key Stage 2 celebrated the 400th anniversary of one William, Bard of Stratford by staging a production of 'Shakespeare Rocks!' to packed audiences over 2 nights - in fact we had to turn people away on the second night, such was the demand for last minute tickets after some rave reviews of the first night on social media! Funnily enough the weather managed to interfere on the opening night, when an almost biblical downpour attempted to drown out our young thespians.

Once again, our children excelled at welcoming the newcomers who arrived on 'move up day' when everyone had a preview of next term and our ranks were swelled by larger than usual influx of pre-schoolers, who were already looking well settled by the end of the day. One of the highlights of their day was the release of the newly hatched butterflies which key stage 1 had been looking after as part of their learning about mini beasts.

And that's what it's all about - Nurture, the last 'letter' of the 'Hackthorn Way', it makes you feel safe, which helps you feel confident and if you feel confident you can achieve anything.

SPRIDLINGTON

THANK YOU

DIANA BURROWS

I would like to express my sincere gratitude to the many people of Spridlington and surrounding villages for the support and sympathy they offered to me and to the wider family following the sad loss of Diana Burrows last November.

There were so many friends of Diana that supported me, her sister Adrienne and other family members before and after the funeral, and your attendance at the memorial service at St Hilary's Church, Spridlington helped to make that service very special and memorable.

I am pleased to say that a total of £414 was raised in donations in memory of Diana, of which £237 has been forwarded to Marie Curie Cancer Care and £177 to St Barnabas Hospice. Most of the donations were made anonymously at the service, and I would like to thank everyone who donated for their generosity. These donations were gratefully received by the organisations concerned and will help to continue their terrific work, which I saw at first hand.

I am sorry that it has taken me so long to place this notice, and thank you all once again for your support and generosity.

GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL

NOTES ON COUNCIL MEETING HELD ON 7th JULY 2016

The July Parish Council meeting took place on 7th July 2016, with the majority of the Council in attendance, however visitor turn-out was low. Updates on Council matters are as follows:

Children's Playground - the playground is still looking well cared for following the large number of hours spent by volunteers over the "Clean for the Queen" weekend. At the time of the meeting, several children were using the play equipment and the Council will arrange for the annual external inspection of the equipment over the summer holidays.

Memorial Stone - Cllr Shaw has received information from the Diocese, and Cllr P Smith provided information relating to the original wording on the stone, which will be used in the Parish Council's submission to the Diocese. More updates on this as they are available.

Village Hall Driveway Maintenance - further quotes are to be sought to ensure best value, however it is hoped that repairs to the driveway will take place in August 2016.

Village Hall Benches and Planters - the planters are to be given a lick of preservative in order to smarten them up, and the Council were in agreement to source a quote for 2 new picnic benches to replace the current ones - this will be decided in the September meeting.

Finally - the Council sends best wishes and huge thanks to Margaret Cromack for all her hard work in her capacity as Village Hall Manager and Parish Council supporter - it has been most appreciated

Date of next meeting - the next meeting will be Thursday 1st September 2016 at 7.30pm at the Village Hall - all welcome.

THOUGHT FOR THE MONTH

When one door of happiness closes, another opens; but often we look so long at the closed door that we do not see the one which has been opened for us.

-Helen Keller

In the game of musical chairs, everyone walks around a circle of chairs. When the music stops, they scramble for the nearest open chair. If we were playing this game and found the nearest chairs taken, wouldn't we quickly look around for the next open one? To remain immobilised, angry that the chair we wanted was taken, would undoubtedly lose our place in the game.

Sometimes in life, we set our sights on a particular chair. Perhaps there is an award we want to win, or we want to be the high scorer on our team. Perhaps there is a promotion or a job we would like to get. When we do not get what we want, it is easy to keep looking at what we didn't get instead of seeing all we have.

It is important to be grateful for what we have - for the open doors and empty chairs waiting and inviting our attention. Loss and disappointment are a part of life - but the music will play again and our lives can move on.

So, ask yourself, **“What is available to me today?”**

WELTON PATIENT AND DOCTORS ASSOCIATION

Plans for the Autumn Fayre are now well under way. At the time of writing this article (14th July) we still have a couple of tables to hire for a cost of £10 each. These are for you to sell your own items either for your chosen charity or for yourself. If you are interested please contact either Roy Minnitt (860980) or myself (862570) asap. We try to get a good mix of sale items to give everyone a chance to make sales and, for this reason, anyone showing interest during August will be contacted during Sept to confirm whether or not we have a table available for them. The only exclusions are cakes and food stalls as we have our own cake stall and café to raise funds for the PDA.

We are now looking for bric a brac, books, CD's and records along with bottles for the bottle stall, tombola items etc. Raffle tickets are now on sale at the Health Centre dispensary, Taylors Pet Foods and the Paper Shop in Welton and from all PDA drivers and Committee members. We have some excellent prizes promised already and more to follow. Among those already donated are a handcrafted oak coffee table, valued at £400, donated by Chris Sharp Cabinets, a 42" HD TV donated by Chestnut Homes Ltd, A starter fish tank kit donated by Perry Aquatics, Dunholme and a luxury food and drink hamper. There is also afternoon tea for 2, whisky, hand crafted wooden salt and pepper grinder and the list goes on. We will be selling tickets at the surgery on the 'flu injection Saturdays when the dates are known so please bring some money with you! We are also hoping to be selling in the Coop during Sept. Date to be arranged.

We still have our E bay account selling on behalf of the PDA, so again, if you have anything you think might be saleable that you would like to donate please get in touch.

Looking ahead, the PDA AGM will be held on Thursday 27th October 2016 starting at 7.30pm in the Health Centre waiting room. There will be a short business meeting during which the committee for the forth coming year will be elected. The various areas of the PDA, Financial, transport, fund raising etc will each present a short report of the previous 12 months business and the audited accounts will be available for anyone to view.

We then have a short talk, usually given by a Doctor (more info in Sept magazine) and the evening ends with tea/coffee and biscuits. It would be really good to see a few, or even a lot, of you there to show your support. The Committee works very hard in the background providing support to the Practice and we would welcome you to our AGM. The meeting usually lasts around 2 hours.

WELTON HEALTH CENTRE NEWS

Acute Clinic

Following recent feedback from patients we would like to clarify the position re: our acute clinics which are held each weekday morning.

The doors open at 8.00am (this used to be later but was changed as a result of feedback and to allow patients to wait within the building rather than outside) The clinic does not start at 8.00am - doctors arriving in the practice have to deal with test results and other correspondence which arrive electronically overnight and may require urgent action before commencing surgery.

These sessions commence at 8.30am each morning and bookings are accepted until 10.00am on a Monday and until 9.15am Tuesday - Friday. This facility offers the opportunity to consult with a clinician, without the need to book an appointment, and is intended to deal with acute problems and minor illnesses, not on-going disease monitoring or chronic conditions. If a patient attends and is feeling very ill or has significant pain the receptionist should be advised immediately so that they can prioritise care appropriately. Due to time pressures it may not be possible to deal with more than one problem and a booked slot is advised if this is thought to be required.

Patients are allocated equally between all clinicians working the acute clinic and staff manage these lists to ensure that delays are kept to a minimum. We are unable to offer a choice of doctor and if this is important then a booked appointment should be made. Not all doctors are available to consult at the acute clinic but where possible if a female or male is specifically requested we will try and accommodate. Confusion can occur when some patients appear to walk straight in and see the doctor whilst others have waited for some time but it is important to note that pre-booked clinics and nursing clinics are running alongside this service and therefore some patients are not booked into the acute clinic but actually have an appointment slot.

We are aware that we cannot please everyone but over the years we have altered the timing and how we run these clinics as a result of listening to what patients ask for and we will continue to consider all suggestions for improvement and feedback whether we are able to respond positively or otherwise.

Travel Health

We are pleased to offer appointments and advice for patients travelling abroad. Some immunisations are available on the NHS but others are only given on a private basis and therefore a charge will be made for these services. We are able to supply anti-malarial medication from our dispensary for those patients requiring these - please ask there for pricing information or alternatively private prescriptions may be purchased (£15) after consultation to take elsewhere.

Did Not Attend

37 doctors and 79 nursing appointments made by patients during June and not kept - 19.3 hours lost in total - or the approx. equivalent of six surgeries - PLEASE let us know if you are unable to keep these - it is frustrating for both patients and staff alike when we have patients complaining about not being able to book into slots whilst others do not turn up to theirs.

Planning

We are still awaiting the outcome of our bid for developing the surgery site into the library and hope to know whether this is a possibility at the end of July. For the sake of clarity, the amounts of money which are mentioned in planning applications (under Section 106) which go "to the NHS" - the money is NOT paid directly to the practice (as heard tell !) but may only be accessed via NHS England who are responsible for the overall planning of services to patients and therefore for prioritising the spending of these funds.

Retirement

Our Nurse Practitioner, Gillian Baker, has decided to retire from the Practice mid August and is looking forward to spending some time doing all those things she never found the time to do! Gill is well known to many of our patients and has been with the Practice since she joined as a Practice Nurse March 2001. She has developed and defined her own role, qualifying as a Nurse Practitioner and Independent Prescriber, leading the nursing team for many years and has worked tirelessly to raise standards and improve the overall quality of care for patients. Gill will be greatly missed by patients and staff alike but we wish her all the very best in her well -deserved retirement.
