Thank you to Alana for sending in a picture for this month's cover of what she hopes to do during the summer holiday. You can send your pictures to signpost@owmblygroup.co.uk. Don't forget to include your (or you child's) name if you want credit for the illustration.

Delivered **free** to over 750 homes in the villages of Hackthorn & Cold Hanworth, Owmbly-by-Spital, Normanby-by-Spital, Saxby, East & West Firsby, Spirdlington, Glentham, Caenby and Bishopbridge.

A WORD FROM THE RURAL DEAN

There is a spirit of movement about in the diocese at the moment. Bishop Stephen spoke to a cathedral full of newly elected churchwardens, and hundreds of voices replied that they were ready to serve our churches and our communities. Your wardens in the Owmbly Group have a big job to do, defining how these churches are going to work together. Your representatives have met with the Covenant Pastors, and there was a great discussion about how you are going to contribute to the costs of ministry. Clergy and others from across the deanery have been coming to lead and share in worship with you, with remarkably few hiccups, and lots of good experiences on both sides. The *Time To Change Together* process is going really well - every one of our 630 churches has prayerfully decided its vocation to serve local people and the wider kingdom; nearly every one of the clergy has had a conversation with the Bishops and Archdeacons about how they'd like to serve God in our churches and the new ways of working; over 50% of churches have pledged how much they believe God is calling them to put into the common pot and it is more than we dared to hope; we've set up new partnerships between deaneries and are nearly ready to roll out *Local Mission Partnerships* - groups of churches and ministers that collaborate and work together - we will probably be about 25 of us churches and slightly more than that of ministers.

So what is the best thing we can do together? What should the Owmbly Group be doing? Here are a few thoughts. Pray constantly. Plan. Listen to God. Work out what you can do, and in order to do it, decide what you are not going to do.

Dig deep - into your pockets, into your hearts and into your energy, to proclaim the good news. We aren't a heritage organisation, and we aren't a social club. We are the church, the body of Christ, the Lord's eyes and ears and hands and feet and tongue. Your churches know that and do it really impressively a lot of the time. Our diocese is committed to support you with a wonderful array of ministry, some local and some from further afield, some lay and some ordained, some pastoral and some prophetic, some comforting and some challenging.

Time to Change Together wants to value and see an important role for every church and every type of church. We must recognise, however, that we cannot provide ministry for every church to offer everything that people need. The local, the neighbouring church, the local mission church, other churches further away - they work together to provide a variety and a diversity to which you all may belong. So travel, explore, take risks, invite, make sacrifices, make welcome, offer love and gifts, to be part of a transforming and growing church. I am confident the Lord will bless such Christ-like behaviour!

Fr Richard Crossland

FOOD BANK & UKRAINE DONATIONS

There has been an overwhelming response for the Ukraine Appeal and we now hear that no more donations are required, except for money to the Ukraine Appeal website.
<https://donation.dec.org.uk/ukraine-humanitarian-appeal>

However, nationally the food bank donations are really in need and are very short. They are always so grateful for the donations from our group of parishes.

Each village has a drop off point which are:

Glenthams - the village shop or Peter and Jenny Atkinson, 'Tilsit', Bishop Norton Road

Hackthorn - Cathy Andrews, Stone Cottage, Main Street

Owmbys/Normanby - the village shop or Liz and Keith Harris, 'Berries', Church Lane, Owmbys

Saxby/Firsby - Robert and Rosemary Cox, Manor Farm, East Firsby

Spridlington - Porch at St Hilary's Church.

Any further enquiries please contact Rosemary Cox. 01673 878258.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Since our last update we have been very busy... our Year 2 children have had their 'Milk and Cookies' week and our Year 6 children have had 'Toast week'... this is code for completing their National Standard Assessment Tests. We prefer to maintain a relaxed atmosphere during test week and the children were actually excited about completing their assessments. We were particularly proud of their positive attitudes after such a disruptive few years of learning.

KS1 pupils enjoyed their after school multi skills club and a Y3/4 and a Y5/6 team represented the school at an inter school football tournament. Unfortunately we did not win the competition but we would have won a prize for enthusiasm and encouragement.

We had an amazing last week before we broke up for half-term! We spent most of the week learning facts about the Queen, in the run-up to her Platinum Jubilee celebrations. All of the children contributed to a collaborative picture of the Queen and KS2 pupils produced artwork in the style of Andy Warhol. Cakes were baked and flags were made to be waved during the singing of our patriotic songs at our May Day/Queen's Jubilee celebrations. Dances were perfected during the week and everyone appreciated the complexities of the interwoven ribbons which created intricate patterns. It was so lovely to see such a good turn out from parents and the local community, especially after the challenges of the last two years.

The enthusiastic performance from parents, staff and pupils of Pat-a-Cake Polka was a triumph and the ringing of the school bell by the Year 6s was a fitting final tribute to acknowledge 70 years of the Queen's reign. We are grateful to FOHS for decorating the school, providing refreshments and presenting commemorative coins to each of the staff members and pupils.

The week ended with an amazing performance from Miss Lee, our music teacher, on her harp. The children were mesmerised during her renditions and had many questions to ask her. Miss Lee ended her performance by playing the National Anthem, to which everyone joined in enthusiastically.

Over the next few weeks KS2 pupils will be preparing for their summer production and KS1 will be visiting Yorkshire Wildlife Park. This term is always a busy one involving swimming, transition days and sporting events so we hope the weather will be favourable.

We currently have a vacancy for a relief midday supervisor. If you would like to work with our wonderful children then please contact Mrs Walker or Mrs Bould, our school administrators, for more information on 01673 860295.

SPRIDLINGTON PLATINUM JUBILEE STREET PARTY

The Spridlington Jubilee street party was held on the Friday 3rd of June on the Wether Walk and was a great success, so a huge "thank you" to the Jubilee Committee for all their hard work with a special vote of thanks going to Katrina Morton for getting the ball rolling and keeping everyone focused.

It was a "bring your own picnic" event and was attended by 130 villagers and friends. Attendees enjoyed non-stop music provided by Andy Whitham, a table quiz set by Anne Hunter, "pin the crown on the Queen" and a picture trail for the children. David and Angie Hayes very kindly opened their garden for the "cake fit for a Queen" baking competition as well as field games which included welly wanging, egg & spoon and sack races organised by Jane Whitham and Katrina Morton.

All the children in the village were presented with a unique memorial mug designed and produced by Spridlington resident Jane Williams with distribution organised by Judith Goodchild.

Thanks to the generosity of the partygoers, the raffle and "Guess my name" competition, a total of £243.00 pounds was raised, to be split between Village Hall funds and the Ukraine Appeal.

Even the sun shone for us, and everyone had a great afternoon!

VILLAGE HALL COMMITTEE ANNUAL GENERAL MEETING

The running and maintenance of Spridlington village hall is the responsibility of a committee comprising members of the local community. The committee is in need of new members so if you are able to donate some time to keeping the hall going then please come and have a chat over a cup of coffee at the AGM at **7.00pm on Wednesday 13th July**. If you have any ideas for events or ways to make more use of our lovely little hall, we would be delighted to hear from you and look forward to seeing friends and neighbours old and new.

NORMANBY & OWMBY

NORMANBY BY SPITAL AND OWMBY BY SPITAL PARISH COUNCILS

On 24 May 2022 the two parishes came together for a Joint Annual Parish Meeting. The villages share assets and organisations and it was an opportunity for information to be shared across a wide audience. The Chair of Owmbly PC spoke on the achievements throughout the year and thanked the clerk for a glowing audit report. The Chair of Normanby PC spoke on how the new council had formed late in the year and headway was being made to put plans in place for the future and to build a stronger relationship with Owmbly. One of the first achievements of 2022 was for both councils to sign an agreed Terms of Reference for the Community Park allowing the committee to move forward and work towards improving the facility and putting on events.

All local organisations were invited to attend the meeting. There were reports from the WI, Normanby by Spital School, the previous Youth Group leader, Ss Peter and St Paul's church, the art group, the book club and the short mat bowls group.

The community came together along with Cllr Bunney from the County Council and the engagement was very positive. Any organisations who would like to speak at future council meetings are invited to contact the clerk at owmblybyspitalparishcouncil@gmail.com or nbyspc@gmail.com and arrangements will be made to add this to the agenda.

The full reports of the meeting are available on the Parish Council Websites.

THOUGHT FOR THE MONTH

Near Tokyo lived a great Samurai warrior, now old, who decided to teach Zen Buddhism to young people. In spite of his age, the legend was that he could defeat any adversary.

One afternoon, a warrior – known for his complete lack of scruples – arrived there. He was famous for using techniques of provocation: waiting until his adversary made the first move and counterattacking with fulminating speed.

All gathered on the town square, and the young man started insulting the old master. He threw a few rocks in his direction, spat in his face, shouted every insult under the sun – he even insulted his ancestors. At the end of the afternoon, by now feeling exhausted and humiliated, the impetuous warrior left.

Disappointed by the fact that the master had received so many insults and provocations, the students asked, "How could you bear such indignity? Why didn't you use your sword, even knowing you might lose the fight, instead of displaying your cowardice in front of us all?"

"If someone comes to you with a gift, and you do not accept it, who does the gift belong to?" asked the Samurai.

"He who tried to deliver it," replied one of his disciples.

"The same goes for envy, anger and insults," said the master. "When they are not accepted, they continue to belong to the one who carried them."

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

Based at Manor Park, Hackthorn Road Welton LN2 3PA

Our opening hours are Monday: 12noon to 5pm, Tuesday: 9:30am to 2:30pm, Wednesday & Saturday: 10am to 12 noon (excluding Bank and Public Holidays)

This summer children aged 4-11 can visit the Library to get involved in our exciting Summer Reading Challenge, with free materials from the library and online via the Challenge website, children will be able to join six fictional Gadgeteers. The characters use their curiosity and wonder to understand the science behind a whole range of interests, from fashion and technology to cooking and music. The Gadgeteers will help to spark children's curiosity about the world around them and encourage them to feed their imagination over the summer holiday. They will be boggled by brilliant facts, gaze at the stars, and be inspired by tales of creativity and invention; so there's lots to keep children busy.

So how do you get your youngster involved?

1. Bring your child along to the library and sign up to the Challenge for free and receive their Gadgeteers poster pack.
2. They set a personal reading goal for the summer (we recommend six books).
3. They borrow and read books, eBooks and audiobooks of their choice. They can read anything they like: fiction, fact books, poetry, joke books, picture books, graphic novels, audiobooks.
4. They collect special incentives from the library each time they finish a book.
5. They will receive a certificate for reaching their Challenge goal.

Who can take part?

The Summer Reading Challenge is open to all primary school-aged children, if your child is not a library member it is easy for you to obtain a library card for them by calling in to see us and of course library membership and this challenge are all provided at no cost to you. Please be aware that stocks of the Gadgeteers Poster Packs are limited and will be available from 9th July so do encourage your child to join in as soon as possible!

You can also find more details at: <https://summerreadingchallenge.org.uk/> or via Welton Village Library's Facebook or Instagram pages.

At the heart of the Challenge is children choosing and sharing books of their choice, in any format, it is a flexible programme that is designed to encourage children of all levels of ability.

Moving onto other matters, we are unfortunately unable to take any further book donations over the next few months as our book sales will be taking a break during the summer.

The Mystery of The Colour Thief by Ewa Jozefkiewicz

Izzy's Dad runs a charity to save elephants; her Mum is artistic, has painted Izzy's ceiling with a huge mural; works with children with special educational needs...but now she is lying in an induced coma in hospital. Izzy is struggling - not that she would tell you that. She's doing fine

thank you and it doesn't matter that her best friend has moved on and that children at school say unkind things about her - it doesn't matter does it. And Izzy can't talk about what happened to her Mother and she suffers terrible nightmares and the colours on the mural are disappearing. How can she explain that?

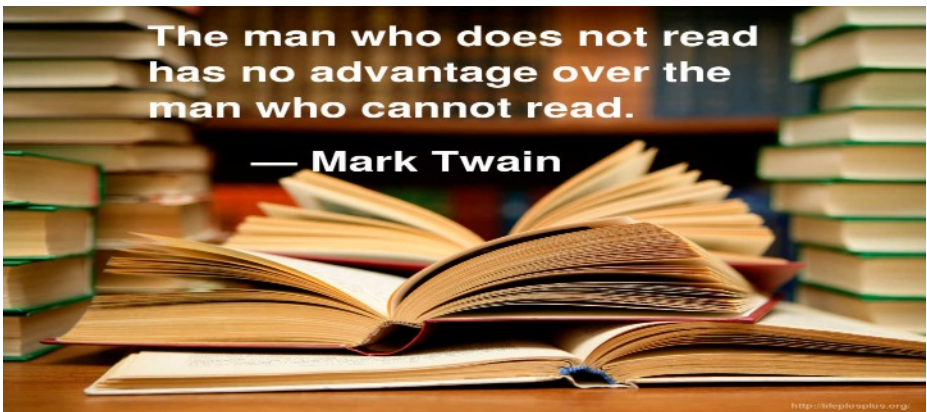

This is such a beautiful story and written with such a lightness of touch but with such intuition. I felt the sadness of losing that one key friend, of pretending the barbed comments don't hurt, of feeling the fear of believing something is your fault..The friendships that Izzy starts to form with other children are beautifully observed, embryonic attachments as she begins to reconnect. I loved Toby and Frank...and the ways they find to encourage and support each other. This is about friendship, it is about coping with hard times. It is very probably about PTSD but we don't really need labels: what we see is how trauma has distorted memories; how

Izzy's feelings and emotions have created a filter through which she is perceiving the past and future and that her inability to process that 'black day' is holding her back. These are all difficult subjects to discuss but embedding them in a narrative about colours, perceptions of colour and a colour thief creates a powerful mechanism for discussion.

This is a beautiful and thought provoking middle grade book which doesn't seek to wrap things up neatly.

**The man who does not read
has no advantage over the
man who cannot read.**
