JULY'S LETTER FROM THE MINISTRY TEAM

Well, I think that Summer is still a long way off. Let's hope that July brings summer with it when it arrives.

The rain we have had is making the grass grow so fast that it is difficult to keep up with the mowing. The temperature is also a little Novemberish. However, the birds are thriving, we have had so many pigeons that I am having to wave them away from the bird tables to give the little birds some space to eat. They always come back again!

Amongst the small birds, we have also had some large ones. Jackdaws, magpies and a buzzard which unfortunately preyed on one of the pigeons leaving a pile of feathers in the garden. The other birds are still feeding some of their young. In fact we saw a little, fluffy, downy pigeon sitting with its wings flapping asking for its parent to feed it. Unfortunately the mother (or father) bird gave it a swift head butt and flew away. Poor little thing! It looked so sorry for itself that a neighbour said she wanted to pick it up and give it a cuddle! Mind you, when Keith went out to check on our Brussels sprouts, he found that pigeons had scythed off the tops of all the plants. He was not pleased.

We had a large hedgehog in the garden and it made its way into our hedgehog house where we leave food out for it. The silly thing got a little stuck, so Keith put on leather gardening gloves and tried to turn it round. It was having none of it. It promptly turned back again and went to the dish of food and started eating. So maybe it was not stuck after all.

But thinking about all of this makes me realise just how good God is. He not only provides for us but for all His creatures as well. So many little lives that he created, all of them for our enjoyment - and we do enjoy them. The birdsong in the morning is magical, and when the sun shines it makes everything so beautiful and idyllic. Along with the grass, everything else in the garden is growing fast. Yes, Keith tends the garden but it is God who makes the seeds grow, then puts the flowers and their colours in place. I am amazed at all the colour that there is in the garden despite the gloomy weather. We have some Hydrangeas called 'Bridal Cap' either side of the front door and they are a picture. The shrubs at the bottom of the field are alive with their yellow flowers and look shiny in the sun. The purple of the Alliums are certainly show stoppers! Yes, colour is important and God provides abundantly.

So whatever you are doing in July, whether holidaying abroad or staying in this country, do look around at God's manifold gifts to us, the colours, the warmth of the sun, even the refreshment of the rain. The flowers would not grow without it, so if I have moaned about the rain, please forgive me God.

Someone wrote "I feel closer to God in a garden, than anywhere else on earth." I know how they felt.

Liz Harris

Bob Marley was once asked if there was a perfect woman...

He replied, "Who cares about perfection? Even the moon is not perfect, it is full of craters. The sea is incredibly beautiful, but salty and dark in the depths. The sky is always infinite, but often cloudy. So, everything that is beautiful isn't perfect, it's special. Therefore, every woman can be special to someone. Stop being 'perfect', but try to be free and live, doing what you love, not wanting to impress others."

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

It has been another exciting start to the term at Hackthorn with the arrival of our new headteacher Mrs Lister.

Although she has only been in the building two weeks, she has already learnt all the children's names, been swimming, held her first Good Work Assembly and been talking to the children about why our school is so special. Mrs Lister thanked all children, staff and parents for making her feel so welcome and said she already feels part of the Hackthorn family - adding that it is clearly a special place to be.

Our Key Stage Two youngsters are busy rehearsing for their production 'Shakespeare Rocks', and again the school is alive with music. The songs are exciting, modern and full of energy. Colourful costumes have been collected and Mrs Woods is very proud how all the children have been in learning their lines, cues and choreography.

Year 6 represented the school at the Church Schools Festival at Lincoln Cathedral, where they proved excellent ambassadors for Hackthorn School with impeccable behaviour, manners and enthusiasm. One of our Year 6 children was explaining to his peers about the legend of the Lincoln Imp and some members of the public were also listening. When he had finished, they gave him a round of applause as they were visitors to the city and were very impressed with his knowledge and explanation.

The netball team have been busy practising for their upcoming friendly match with Dunholme St Chads and have been very dedicated, giving up their lunchtime play to practise.

Key Stage One pupils have been busy looking at world habitats; doing their own research in groups and choosing how to present it, using computer skills learned in previous lessons. They have made display boards to show their information which include diagrams, photos, lift the flaps and some 3D sections.

Key Stage One and Reception have also started their new English book 'Tad'. The children were given the 'blurb' from the back of the book and a few slithers of a picture, and they then had to predict what the book could be about. We had anything from a flamingo to a monkey to a dinosaur egg. There was great delight when in fact it was revealed it is about a tadpole, as some of the children in Reception have tadpoles at home in their gardens.

Reception children have also created a map of the village, including the school, the church, tractors, a post box, houses, the war memorial, and of course the chickens we see on our visits to the church. The children have labelled their drawings using their phonic knowledge and they and the staff are very proud of their work of art.

If you would like to visit our school, please ring the school office on 01673 860295.

Hi. My name is Joanne and I live in Owmbly-by-Spital. I run a business providing nursing and social care to people in their own homes as it is well-known that people recover and recuperate better in the familiarity of their own home, rather than in an extended stay in hospital.

As a nursing professional I firmly believe that healthcare and medical support are fundamental human rights and I am truly passionate about supporting patients and their families to be looked after in their own homes:

- treating people as clients / customers and not just patients
- advocating for their needs – medical or social
- providing emotional support to clients and families
- delivering exceptional levels of care in line with bespoke care plans

I am experienced in dealing with a full range of medical conditions (please refer to my website for full details) so, if you have some care needs for yourself or a loved one then please contact me and I will be happy to discuss, with no obligation, the best nursing and / or care options most appropriate to your requirements :

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

SURROUNDING AREAS

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

Based at Manor Park, Hackthorn Road Welton LN2 3PA

Our opening hours are Monday: 12noon to 5pm, Tuesday: 9:30am to 2:30pm, Wednesday & Saturday: 10am to 12 noon

July is one of our favourite times of the year as we invite local youngsters aged 4 to 11 to join the Summer Reading Challenge and in 2024 the Challenge is all about being creative – in lots of different ways! Children taking part in the Challenge will meet the Marvellous Makers, a creative club who are making amazing things for a (fictional) festival at the library. They will discover that Tails (a cheeky squirrel) has been spotted at the creative club recently, and some objects have mysteriously gone missing from the club's creative toolbox. As they move through their Challenge, children will collect stickers to reveal the missing objects, find out what Tails has been up to, and save the festival! The fun starts at any library session from **Saturday 6th July**, but do make sure you call in as soon as possible as sticker packs are limited.

We will also be holding a free special marvellous makers craft session on **Saturday 27th July** at 10:30 with creative weaving for ages 10 and under.

As part of the Welton Arts and Music Festival a children's author will be reading at the library from 11:00 on **Saturday 6th July**, another free event.

Last, but not least, friend of the library Jim Blainey will be giving a Community Hub talk on his photography at 2:00 on **Tuesday 16th July**, all welcome.

WELTON PATIENT AND DOCTORS ASSOCIATION

Following on from appeal last month for help with the PDA fund raising events, to date I have had no response! This is disappointing as we really want to continue with these events which partially fund the transport scheme and also provide equipment for the health centre which is of benefit to all patients. All we ask is a few hours 2 or 3 times a year!

We hold 4 events a year. 2 lunches- Spring and Christmas which are held on Fridays, our Autumn Fayre which is held on a Saturday in October and a Grand Christmas raffle drawn in December. The lunches and Autumn Fayre are held in Welton Village Hall.

If you think you may be interested but want to know more about what is involved, please give me a call with no obligation, and I will endeavour to answer any questions you have.

The final total for the plant sale which we held in May was a magnificent £672. This was thanks to all involved: - those who donated plants, stored plants, sold on the day, those who bought plants and those who sold the leftover plants from their own homes. This is by far a record amount raised so a big thank you to all concerned.

Our next event will be the Autumn Fayre to be held on Saturday 26th October. If anyone would like to hire a table for £10 to sell their own crafts etc at this event, please let me know. We can't unfortunately accept cake sellers as we have our own cake stall, and no hot food sales in the hall! We also have our own raffle and tombola.

We will be asking for donations of cakes and pastries for both the cake stall and the café, tombola prizes and bottles, alcoholic or not, for the bottle stall. These could be anything in a bottle including unopened toiletries.

Any further information on any of the above don't hesitate to give me a call on 01673 862570.

STOP PRESS!

Since the forthcoming General Election is due to take place on 4th July at Welton Village Hall, Lindsey u3a's General Meeting will be brought forward a week to **Thursday, 27th June** so there will be **NO MEETING IN JULY**.

No matter what political affiliation you have, you will always be welcome at Lindsey u3a which endeavours to provide a wide range of activities, talks and opportunities to meet people and perhaps discuss affairs of the day in a relaxed atmosphere.

We meet at Welton Village Hall usually on the first Thursday of the month. You are invited with no obligation to one of our meetings. Doors open at 9.45am for tea/coffee followed by a speaker at 10.30am. If you decide to come along for a look, tell someone on reception you are new and one of our friendly greeters will show you round and answer any questions.

On **27th June**, at very short notice, our speaker will be Stephen Brown recounting his hair raising experiences as a driving instructor with his amusing talk entitled "It's Hell on Wheels" The drivers amongst us may need to brush up on the New Official Highway Code! Don't worry you won't be tested but you may well learn something new and that's what Lindsey u3a is all about.

If you can't join us on 27th June then you'll have to wait until our meeting on **1st August** to hear a talk by Annette MacKenzie called "Owling Mad" Any guesses as to what that could be about?

We offer various interest groups run by members for members. Check out our website lindseyu3a.org.uk to see if anything appeals to you.

u3a members can also join various online talks, workshops and courses. You can find out more from www.u3a.org.uk

If you can't come to one of our general meetings you could join us at the 'Gardeners' Retreat' tearoom at Scothern Nurseries for a cuppa and a chat at 10.15am on the fourth Thursday of the month. The next coffee morning will take place on **25th July, 2024**. Whether you're a newcomer wanting to know more about Lindsey u3a or if you're already a member and just fancy a cuppa, maybe a scone and a chat, do come along. Everyone is welcome.

Everything you need to know about Lindsey u3a can be found on our website lindseyu3a.org.uk. You will find a comprehensive list of our interest groups, where and when they meet plus news about visits of local interest or theatre visits and holidays arranged by members for members.
