RECTOR'S LETTER

My dear friends,

Into Great Silence

We've recently started hiring DVDs by post, so as to have the occasional film to watch at home. When I said that I'd booked a film 3 hours long with no talking in it, I was greeted by stunned incredulity at home. "What's the point of that?" I was asked.

It was a film which two friends I was speaking to recently had raved about, one of the best films they had ever seen, I was told.

And no, it wasn't about penguins (though that one is worth watching too), it was about monks, Carthusian monks, who live a life of silence at a monastery in the French Alps, a way of life unchanged for 800 years.

Lincoln's most famous saint is St Hugh, Bishop of Lincoln in times of Kings Henry II & Richard the Lionheart. He was a Carthusian monk, who came to this country from France first of all to establish a monastery at Witham in Somerset. This he did so effectively that King Henry chose him to become Bishop of Lincoln. Not only did he build Lincoln Cathedral, being as involved in the labour as much as any stonemason or other craftsman, but he also brought new life to a rather tired & worn-out church. He is a good patron saint for Lincolnshire.

The Carthusian way of life is very tough. The basics are very basic, almost unchanged from the middle ages, no wall-to-wall carpets, central heating & haute cuisine here, but rather bare boards, wood-burning stoves & a home-grown vegetarian diet. Solitary, silent, these monks meet three times a day in church (one these times being the three hours between 12.30 and 3.30 am), and once a week go for a walk together. Otherwise, their time is spent entirely alone with God.

Grim? Scary? Well, the proof of the pudding comes in the happiness radiating from their faces, and from as conversation (yes, there is just one) with an elderly blind monk at the end of the film, who speaks eloquently of the joy of a life spent entirely in the company of God.

"What's the point?" you might ask.

The point is that what these guys do is a necessary corrective to our frenetic way of life. Most of us couldn't cope with half an hour of our own company, let alone a lifetime of it. We surround ourselves by distractions, things to do, noise, radio, TV, possessions. We have lost a sense of rhythm in our lifestyles and a sense of purpose in our beings. No wonder that we see the world as a haven of misery.

Without knowing the details, Carthusian (and, for that matter, other sorts) monks and nuns hold the pain of the world (as, for example, in Burma and China this week) up to a God of loving, for healing. And, by hook or crook, the pain of the world finds healing. They are doing the rest of us a service.

May we too find peace in our hearts, peace in our lives, and establish peace in the world,

God bless us all,

Peter Gadden

Canon David Dicker

David & Hilary retired to Welton after a ministry in South America, with the Missions to Seamen, and in the Diocese of Salisbury. David continued a very active ministry in retirement, and was well-known to many in our parishes, especially through the Mother's Union & the British Legion. He died on April 23rd after a short illness. His funeral at Welton was attended by many people, a sure sign of a deeply-loved priest.

JOINT PCC COFFEE EVENING

Many thanks to everyone who contributed, and attended the joint Parish coffee evening, it was a huge success, making the enormous amount of £ 504. We have sent £252 to the St.Barnabas Hospice in Lincoln and another £252 to the Darfur tragedy. A very big thank you to Simon and Claire Marris for letting us use their home, it was a lovely setting, lots of rooms to explore, to see what was on offer. The tombola seemed hidden for awhile, but as soon as word got round there was a bottle of whisky to be won, they had a queue out by the door!!! Eventually Margaret Hall was the lucky winner. The raffle table was piled high with prizes, and a fairly even amount was won from each Parish. Thank you again for all the hard work done by everyone, I am sure it was enjoyed by all the kind people you supported it.

NORMANBY & OWMBY

NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

On Wednesday 7th May the Annual Parish and the Annual Parish Council Meeting took place – there were 11 members of the public, which included several children. Cllr Roy Bellamy had sent his apologies as had County Councillor Lewis Strange and District Councillor Jeff Summers. PCSO Matt Trafford represented the Police. The Clerk was in attendance.

In the absence of the Chairman, the Vice-Chairman – Cllr Mrs Adele Crowther asked the meeting to elect and Chairman for the Annual Parish Meeting. Jeannie Fortnum proposed and Mike Perry seconded that Cllr Adele Crowther chair the meeting.

The minutes of the previous APM were read out, approved and signed as a true record.

PCSO Matt Trafford gave a resume of the recent spat of incidents in our village – they are pursuing enquires and there will be a police presence in both Normanby and Owmbly. It was stressed that no matter how insignificant a situation looks like, if anyone has any concerns, they should immediately ring the police. The Police are very concerned about issues relating to the youths of our community, there is no playing field, no village hall, no transport – in fact nothing for them to do.

A long discussion followed with input from the children present as well as the public and Councillors. The result was that a Public Meeting be called – jointly with Owmbly to try even harder to locate some land for a playing field and to try to resurrect the “chance to share scheme” which should make the School hall easier to book and hopefully at a more reasonable rent.

Parking outside the school while dropping children off, seems a big issue. Would all parents, who bring their child(ren) to school by cars, please use the pub car park and then take the child(ren) across the road. Please be considerate to all other pedestrian and residents who live near the school. A parked car is a blind spot to other motorist and pedestrians. More yellow zigzag lines would be helpful, but it appears the request has to come from the school. Agreed to ask Highways if an advisory speed limit of 20 miles per hour, outside the school, could be introduced.

The Chairman’s report was read out and the Financial Statement was adopted by the meeting.

The Annual Parish Council Meeting followed: present Cllr Mrs A Crowther, Cllrs D Kelsey, K Green, A Carter and M Crowe - 6 members of the public and the Clerk.

Cllr Roy Bellamy was proposed by Cllr D Kelsey and seconded by Cllr A Carter to be elected Chairman – all agreed.

Cllr Mrs A Crowther was proposed by Cllr A Carter and seconded by Cllr K Green to be elected Vice-Chairman – all agreed.

It was noted that a vacancy has occurred on the Council due to the resignation of Cllr Mrs S Mundy. The notice has gone up and when WLDC advise the Clerk, the Council can co-opt a new Councillor. Anyone wishing to apply for this post, would they please write (or email) the Clerk with a short resume about themselves.

REPORT FROM GLENTHAM PARISH COUNCIL

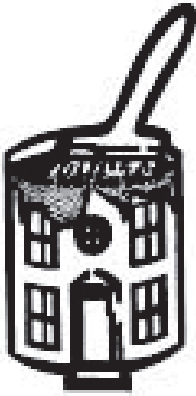

ANNUAL ASSEMBLY The Annual Assembly of Glentham Parish was held on 8th May. There were 7 Councillors, 4 Parishioners and 1 visitor. Apologies were received from County Cllr L Strange; PC D Oakes and PCSO M Trafford. No concerns were raised.

ANNUAL PARISH COUNCIL MEETING was held on 8th May in The Village Hall after the Annual Assembly. Cllr G Wiseman was elected Chairman and Cllr G Fox was elected Vice Chairman.

ADJOURNMENT - Several concerns were raised which included potholes round the Village Hall and the Clerk was asked to get quotes for filling these in as a temporary measure. There were also concerns regarding a blocked ditch and information was given reference the Conservation Area. Mr Lakeman congratulated the Parish Council on the work they had done during the past year and asked that they continue to pursue the purchase of a field for sports.

Chairman's report The Chairman, Cllr G Wiseman thanked the Councillors and parishioners for their continued support. He said that the Speed Reactor would, unfortunately, not be installed in time for the summer traffic but that the village would benefit in the coming years from this device. The Chairman thanked County Cllr L Strange for his support and efforts to obtain this device for Glentham.

cCerk's report The Clerk reported that attendance had been excellent and there had been no resignations during the past year.

The Councillors are:

Cllr G Wiseman (Chair); Cllr G Fox (Vice Chair); Cllr B Adamson; Cllr D Saunders; Cllr P Saunders; Cllr J Summers; Cllr D Wiseman.

Review of policies The Council carried out their annual review of policies, standing orders and financial regulations. The new laptop, printer and carry case are to be added to the Asset Register, the Financial Regulations are to be changed to reflect the new auditors and it was agreed to arrange a meeting with LALC to consolidate the procedural work the Council have carried out.

Clock winding mechanism The mechanism has been installed but unfortunately the clock has not worked properly since!! The contractors have attended once since installation and are going to attend again to try to rectify the problem.

Neighbourhood watch Cllr D Wiseman is to arrange an open evening in the Village Hall to explain to residents how such a scheme could work in Glenthams.

Finance The proprietor of Glenthams Village Stores had agreed to act as internal auditor, the external auditor being Clement Keys. The Council received the Statement of Accounts which showed that the figure in hand at the present time is £21833.92. A lot of this money is earmarked for the payment of the winding mechanism and for the refurbishment of the play park and the Village Hall. The Council had managed its finances very well and the Revenue Budget was healthy.

Date of next meeting Thursday 12th June 2008 in the Village Hall at 7.30pm when there will be the usual adjournment period for concerns/ideas. Everyone welcome.

CONSERVATION AREA – INFORMATION RECEIVED FROM WLDC

Rules and Regulations: A Conservation area protects all trees with a stem diameter of 7.5cm or greater (measured at 1.5m above ground level) or 10cm if thinning. Anyone wanting to fell or do work to a protected tree must first notify WLDC (a section 211 notice) of their intentions and allow 6 weeks in which to do a site visit, to do a TPO assessment of the tree(s). If the tree(s) do not meet the criteria for a TPO to be placed on them then WLDC will issue a letter saying they have no objection. A ‘no objection’ letter is valid for 2 years, after which the process must be done again for any further tree work or if the work hadn’t been done within the 2 years.

Under the Town & Country Planning Act 1990, any wilful damage or destruction of a tree within the conservation area, without following proper procedures, constitutes an offence.

GLENTHAM PARISH PLAN QUESTIONNAIRE

Thank you to everyone who completed a questionnaire. There was a very good response, with 47% of households having their say on what is important to them. The responses are being analysed at the moment and the results will be available for comment in due course. The five lucky winners of the free prize draw (each receiving a £10 voucher to be spent at Glentham Village Store) are: Mr S. Bird, Mr T. Crowston, Mrs M. Dawson, Mr and Mrs Reilly, and Mrs J. Rose.

THANK YOU TO BRITA

With regret I have to inform you that Brita is no longer going to do the Coffee Mornings on a Thursday, as from the end of May. I would like to say a big thank you for all the hard work she has put in raising funds for the village hall for the last few years. I shall continue with the Coffee Mornings as usual.

Dorothy.

55+ CLUB

Colin surpassed himself at May's meeting making a delicious cake for our consumption it helped him pass the time whilst he has been a 'grass' widower. The usual brainstorming afternoon of Bingo and Scrabble was enjoyed by everyone there. The Next meeting will be on 9th June in Glentham Village Hall at 2.00 p.m. There will be a guest speaker from Age Concern.

GLENTHAM AND DISTRICT GARDENERS CLUB

At the meeting of 13th May an interesting talk, slide show and demonstration was given by Gail Summerfield from Winterton entitled Summat for Nowt. The main topic of the evening was the different ways of sowing and propagation of softwood plants.

The next event is the Summer Party which will be held on Tuesday 10th June at 7.30 pm at Glentham Village Hall. Members should have already received their invitations. Please ensure that your payment reaches Nora Skipper by 3rd June at the latest.

Another date for your diary is the Annual Produce, Arts & Craft Show which will take place on Sunday 14th September at Glentham Village Hall. Doors open to the public at 2 pm.

ST PETER'S GUILD

Again as last month everyone not only enjoyed the April Coffee morning but were also able to enjoy Reg and Norah Skippers' garden. The view from their conservatory was both pleasant and warming. Many thanks to Reg & Norah for their support and all who attended. The next coffee morning will be held at the home of Alan & Brita Lakeman. This was originally the venue for May but due to an accident to Brita, had to be postponed and Irene Pickering stepped into the breach. We wish Brita a speedy recovery.

ROSE BOWL QUIZ

The quiz proved as popular as ever, due to illness and holidays some teams had a slightly different make up of members but the participating teams made a good evening of it. 'Not the Mulberries' walked off with the Rose Bowl followed by 'Bits & Bobs' with '7 Up' coming in 3rd. George & Mildew proudly carried off the Wooden Spoon. The sum of £45 was raised to donate to the late Chris Jukes' son, Jack. The next Quiz will be on Thursday 19th June at 8.00 p.m. in Glenthams Village Hall.

FAMILY HISTORY

The 'Letter from Oz' lady Margaret Newton was pleased to receive e-mails from Fox relatives still living in the area, she would still be interested in any response from Thompson kin. She very kindly made a donation to 'Signpost' for our efforts on her behalf.

This month another enquiry was received via Glenthams Parish Council the query regarded the Marshall Family. They were living in the Cottage, Caenby in 1901 and the early part of the 20th century. However William and Jane Marshall had lived and raised their family in Back Lane, Glenthams from around 1869. Their daughter Fanny's grand-daughter Pam Hewitt would be interested in any information from relatives still in the area. Her details can be obtained from Terry on 878625.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Well, the weather finally warmed up a bit in May, which presented a great opportunity for our new outdoor learning area to be given a thorough testing, and it has been declared a resounding success by everyone who has had a chance to use it. The canopy has been so well designed that it protects those underneath from the sun as well as any rain, which greatly increases the scope for its use.

The summer term swimming sessions started again – we stuck to our philosophy of taking the whole school, and we were very proud that our faith in the children was rewarded by exemplary behaviour despite the increase in numbers over previous years and, as always, outstanding progress in the pool.

Reception had a very interesting and informative time when they visited Pets at Home in Lincoln – so much so, that we now have a thriving pet shop of our own set up in the ‘home corner’.

We also launched ‘Rooted in Reading’ at the school. This is a new initiative designed to encourage children to read a wider variety of texts, and encourage them to make use of local libraries.

Key Stage 2 are having weekly visits from the cricket coach, years 2,3 and 4 are learning tennis, and Y2 will be off to William Farr in June to take part in their Sports Festival.

Contact the school on 01673 860295 to arrange a visit, or to request a School Brochure.

COMMUNITY NEWS

BOBBIES BEAT

Home Security – As I write this I am looking out of the window to a bright warm sunny day. When you read this I hope it is the same kind of weather. Officers are telling me that when on night duty they are seeing many homes with downstairs windows left open, presumably because of the hot weather. Please remember that if the good guys are noticing this then the bad guys are too. Please close all downstairs windows when out for the day or at night.

Special Constables – We are looking to recruit Special Constables to work in the Welton and Hemswell area's. You will become a valuable member of the local neighbourhood Police team. Your duties will be many and varied working with and helping *your* local community. Lincolnshire Police will give full Training. Please contact either myself PC Oakes for Welton area or PC Cotton for Hemswell area.

Neighbourhood Panel. On Thursday the 10th of April 2008, the panel met at Faldingworth. The agenda focused on youth issues. It was decided to explore ways of getting the youth in the area engaged more with activities, with a view to reducing their time hanging around the streets. Can I ask anyone reading this who may have an idea or opinion on youth issues to please get in contact with me for me to pass on to the chairman.

Local Young People ! This directly involves you. It would be great if we could set up a youth council for the area (Welton north to Waddingham) If you wish to get involved, again please feel free to contact me. The date of the next meeting *was to be* Wednesday 11th June, *this has had to be moved*. New date and venue to follow.

SATURDAY 21ST JUNE 2008 @ 10:00 AM

SATURDAY 28TH JUNE 2008 @ 10:00 AM

I have been running the surgery since March on various days and different times. It was even mentioned in the Lincolnshire Echo. The surgery has not been well attended by the public and I have decided to end the trial period.

WELTON HEALTH CENTRE NEWSLETTER

As many will realise work on our car park is now completed and parking lines have been painted in an effort to ensure safe parking. We have reserved a space outside the staff front door entrance to allow easy access for emergency vehicles and this may also be used as a drop off point for our voluntary PDA drivers who regularly transport patients to and from the surgery. New clear surgery signs have also recently been introduced and our thanks go to Mr Brian Siddown for making and installing these. We have now numbered each consulting and treatment room instead of using the name of a doctor or nurse as they are regularly used by different people, however increasingly we have patients entering a Treatment Room instead of the Consulting Room with the same number - please be aware of this and if unsure check with reception.

Our thanks go to Mr & Mrs Northing of Faldingworth Post Office for all their support over the years in assisting patients to order and collect medication and we wish them both a long and happy retirement.

Our new website is now being used very regularly and our thanks once again go to the PDA for supporting this venture.

DNA (did not attend) for April – 31 appmts were made but not kept or cancelled. As always, please ensure that you cancel your appointment so that others may utilise this.

Spring Lunch Friday 9th. May.

Another bright sunny day with 63 cheerful diners participating in our lunch in Welton village hall and also providing excellent support for the raffle and cake stalls. The final result was a sum of £328 to be credited to the PDA account.

We wish to express our appreciation to all those who assisted, in whatever way, to make this another successful event and of course we thank our supporters who came and dined as, without you this would not have happened.

REMUS RODHAM

Judy Wallman, a professional genealogical researcher, discovered that Hillary Clinton's great-great uncle, Remus Rodham, was hanged for horse stealing and train robbery in Montana in 1889.

The only known photograph of Remus shows him standing on the gallows. On the back of the picture is this inscription: Remus Rodham; horse thief, sent to Montana Territorial Prison 1885, escaped 1887, robbed the Montana Flyer six times. Caught by Pinkerton detectives, convicted and hanged in 1889.

Judy e-mailed Hillary Clinton for comments. Hillary's staff of professional image adjusters sent back the following biographical sketch:

Remus Rodham was a famous cowboy in the Montana Territory. His business empire grew to include acquisition of valuable equestrian assets and intimate dealings with the Montana railroad. Beginning in 1883, he devoted several years of his life to service at a government facility, finally taking leave to resume his dealings with the railroad.

In 1887, he was a key player in a vital investigation run by the renowned Pinkerton Detective Agency. In 1889, Remus passed away during an important civic function held in his honour when the platform upon which he was standing collapsed.

And that folks, is how it's done
(It might or might not be true but it's a great piece of spin)
