LETTER FROM THE MINISTRY TEAM

Dear Friends

One of the most moving experiences of the Pilgrimage to the Holy Land was a visit to the Jeel al Amal - Generation of Hope - school in Bethany which is supported by the travel company McCabe Pilgrimages. A school for boys up to the age of 14yrs and girls until the age of 10yrs. It is also a home for boys between the ages of 5yrs & 14yrs who have been abandoned, orphaned and abused from Jerusalem and the surrounding towns and villages in the Palestinian territories.

Bethany, 1½ miles from Jerusalem, was home to Jesus' friends Mary, Martha and Lazarus and with whom he stayed after he had entered Jerusalem on Palm Sunday. As we entered Bethany, an area controlled by the Palestinian Authority, the lack of services became apparent. Litter everywhere, abandoned broken down vehicles due to no-one able to obtain insurance, no police force, no council services to keep the streets clean, no health service. Life is difficult and for many children the school in Bethany is their lifeline to a better future.

The children were waiting for us and were leaning out of the windows as we arrived waving enthusiastically. The classrooms were bright and cheerful, and it was very clear there was a lot of learning going on. Many of the boys have experienced very difficult home lives, and many are homeless orphans with nowhere to go but the street. Here children are being given a chance in life. From classroom to classroom the children entertained us with songs in Arabic and with huge smiles on their faces. One of the classes sang in English Twinkle twinkle little star and it was a joy to see how they smiled as they sang and carried out the little actions - we all joined in of course!

Happy children in a place where everyday life is a challenge.

Here they are learning, here they are loved, here they have a family, here they learn to trust.

Jeel al Amal is a beacon of light for all the children. Here they are given hope for the future. This was very much in evidence during our visit. Asked if the school takes children of different faiths our guide replied that they do not distinguish between faiths because

'Children all cry in the same language'

All children deserve to live in hope for the future and this sums up what the school and orphanage is about and also how the God we believe in is a God in whose image we are all made. Our guide had been orphaned as a young boy and attended Jeel al Amal and received an education, a home, a family and all the benefits that these things offer. He has returned as a leader and teacher in order to give other children the hope for the future that turned his life around.

It was an emotional visit for us pilgrims but we came away encouraged by the sheer delight that these children have for life and how this school gives them so much hope for the future.

Sally Turnbull

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Swimming got off to a flying start this year because so many of our pupils keep up with various swimming related activities throughout the year. So much so, that Mrs Wass said that her advanced group was without doubt the best she's ever encountered. Swimming is a hugely important life-skill - literally, although we hope it comes to that for our children, which is why, every summer term, we take the whole school to Gainsborough every week to make sure that everyone can at least swim a range of strokes over a minimum of 25 metres as well as know how to get themselves safely out of some tricky situations.

Of course, at Hackthorn it's not just all about the swimming, but a whole range of skill come into play as we team up older and younger pupils so that the older ones can learn the benefits and responsibilities of looking after someone less experienced than themselves, and the younger ones get a good role model ready for when it's their turn to be in charge in years to come.

This in turn creates the wonderful family atmosphere we enjoy at Hackthorn and leads to us getting some fantastic comments from the external Head Teachers who come to do our peer reviews each year. A couple of quotes from this year's report make us particularly happy - "Children enjoy learning and are proud of their school" and "Children work and learn well together. They make good use of one another to support each other's learning."

So much goes on at Hackthorn that there is never much room left to give undue attention to 'Toast Week', other than to congratulate Year 6 on doing their best and maintaining our tradition of not getting caught up in the media hysteria which seems to plague SATs every year.

You can read about it all you like, but there really is no substitute for first-hand experience, and we're always happy to welcome anyone who wants to find out more about the 'Hackthorn Way' so why not contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look round our website at www.hackthorn.lincs.sch.uk

HACKTHORN AND COLD HANWORTH SOCIAL CLUB

The **Annual General Meeting** was held on Friday 29th March, 2019

The Club has had another enjoyable year, meeting every Friday between 8pm and 11pm in the Village Hall. But we still need to actively encourage attendance from all people within the community, including families with children.

In order to ensure a safe and enjoyable environment for all Club members, parents are required to ensure that their children are supervised at all times.

Annual subscriptions are £3.00 per person, guests to be signed in at £1.00 per guest. Subscriptions for 2019-20 are due and should be paid as soon as possible to enjoy full membership benefits.

Thanks are expressed to the many villagers who attend and a special thank you to those who, in their own time, ensure the smooth running of the Club.

Please come and support your local Social Club - Your Club needs you!

NORMANBY & OWMBY

NORMANBY BY SPITAL PARISH COUNCIL NEWS

The Annual Parish and Annual Parish Council meetings took place on Wednesday 15th May, with four members of the public in attendance.

This year Ken Green is celebrating 40 years on the Council. He joined in May 1979, has served as Treasurer, Clerk and Chair in that time as well as looking after the war memorial; started and ran a youth club; helped produce the They Went to War book; was a driver for Springline - taking people to doctor and hospital appointments; a Trustee for the Education Charity; joined the Advanced Drivers and taught people to be better drivers and ran the village painting group. Wow, what a record and I may a left a few things out. Congratulations Ken, we are lucky to have you on the Council and thank you for all the things you did and still do.

Cllr Linda Houtby was thanked for organising an Autumn and Spring litter pick for our village - the Spring one brought out a lot of helpers and a lot of litter was collected. The next litter pick will be on Sunday 22nd September. Please let Linda know if you want to help as then the correct amount of equipment can be arranged.

Roy Bellamy was re-elected as Chair, as was Linda Houtby re-elected as Vice-Chair.

The annual accounts were approved, the annual insurance was approved and the bill for cutting the cemetery grass was approved.

There was a discussion regarding the Neighbourhood Plan and the committee for the Community Park.

Now the hedge has been cut between the old and the new cemetery, it is hoped the footpath will get repaired soon.

Next Parish Council meeting has been arranged for Wednesday 14th August at 4 Field Lane.

OWMBY & NORMANBY WALKABOUT

Saturday 15th June 2pm

Please join us and discover your village by participating in a walk of Normanby or Owmbly. This is open to everyone including dogs. Help us describe our properties, landscapes, village facilities, green spaces, footpaths, trees and favourite views. There is a lot of fantastic history to discover along the way!

The Neighbourhood Plan Steering Group is drafting Character Overview of our villages which will form the background of the final Plan and Policies. We need your help and input and want you to tell us what you see and value when you walk around our villages. Help us describe the lovely features of our villages so that we can preserve them for generations to come.

We will meet outside the Community Field gates at 2pm and then split into an Owmbly Group and a Normanby Group. The walk is expected to take up to 2 hours. Please share your knowledge, memories and opinions.

Complimentary refreshments will be available as a thank you to all participating residents.

For more information please call Tracey on 878784

Your Garden in June

With plants and lawns flourishing, the garden tasks in June are ever increasing. Spending more time in the garden is a great form of exercise, but make sure you do not do too much and wake up aching the next day! Doing tasks little and often will make the workload more manageable, but hopefully more enjoyable too.

Depending on your grass type, lawns will need mowing at least once a week however if a drought is forecast, we recommend cutting grass a little longer than usual to help it withstand dry conditions and less susceptible to weed growth. Many modern mowers have the option to increase or decrease the mowers to alter how short the grass is cut. We also recommend mowing with caution in shaded areas around trees. These areas will need to be mown at a higher level as the grass competes with tree roots for water and nutrients and will need an extra helping hand. If you are looking to overseed or re-seed a bare area, we now stock two brand new seed mixes that have been developed to be tolerant to shaded areas or in droughts.

By now, hopefully we will have seen the last of the late frosts, but if temperatures drop make sure young or tender plants are protected. Hanging baskets should now be developed enough to be proudly displayed outside for all to enjoy.

We are looking forward to returning to the Lincolnshire Show and we hope to see you there - Agrigem will be exhibiting on stand number 4-34A just north of the main ring. This year is a special year as it marks 150 years of the Lincolnshire Agricultural Society. We will also be celebrating and sharing images of how Agrigem has developed over the year - from trading out of a garage to a multi-million purpose-built warehouse and office space employing over 20 employees.

WELTON FAMILY HEALTH CENTRE NEWS

DID NOT ATTEND (DNA) - In April, 97% of patients attended the surgery for their appointments. We would like to thank these patients for attending or cancelling appointments that they were unable to make so the slot could be used by another patient. Unfortunately, 85 patients still failed to attend for their appointments which would have meant an extra 14.5 hours of available appointments.

ACUTE ILLNESS CLINIC - Those of you that have attended the Acute Illness Clinic in the last month may have observed some slight changes. We have noticed that some days it is extremely busy and other days much quieter. To try and gain some balance we have slightly altered the way that the AIC runs. Now, the AIC will be limited to a number of slots per clinic to enable the GP's and Nurse Practitioners to see (what is nationally considered) a "safe" number of patients. To help patients understand this, above the AI desk we will be advertising how many slots are available for AIC each day of the week, so that patients can come back on a quieter day or a day with more availability, should they wish. We have only started to trial this from the beginning of May and will of course, always see any patients that feel they have an urgent need.

SIGNPOSTING - In order to enable patients to see the most appropriate clinician or person for their needs, the reception staff have attended some signposting training which gives them the necessary skills to be able to direct patients to the right appointment. They are now all qualified 'Patient Care Advisors' and will take on this role with immediate effect. Patients may be directed to appointments with or advice from GP's, Advanced Nurse Practitioners, Practice Nurses, Healthcare Assistants, Phlebotomists, Dispensary, Physio's, Clinical Pharmacists, Social Prescribers etc. The Partners have asked the Patient Care Advisors to ask more questions of patients to try and direct you appropriately. The telephone message will also be altered to reflect this. Please give them as much information as possible to enable them to book you in with the right person. National statistics show that signposting patients to the most appropriate person can free up GP appointments for those that do need to see a GP and therefore reduce waiting times. We would be very grateful for your support in developing this in the practice.

CLINICAL PHARMACIST - We have a clinical pharmacist called Chris Donnan who will be working in the Practice every Tuesday from this month. He will be able to see patients for medication reviews and help to deal with queries and paperwork relating to prescriptions. If you are only booking an appointment for a medication review, please ask for an appointment with Chris.

TRAVEL VACCINES - If you are planning to travel abroad this summer, please give us at least eight weeks' notice where possible. Some of the more exotic destinations require a complicated schedule of vaccinations which takes a lot of nurse time to research and administer. Whilst we will always do our best to fit patients in, if we do not have enough notice we may not be able to give you your vaccines in time.

Please could we remind patients that not all travel vaccines are free on the NHS. Some vaccines, such as rabies, yellow fever and malaria are classed as private vaccines and therefore incur a charge. We have to order such vaccines into the practice and these are non-refundable. Recently we have had some patients refusing to pay for the vaccines, saying they no longer want them or just simply not turning up for the vaccine - the cost of which then has to be absorbed by the practice as we are unable to return them. As a result, we are now asking patients to pay for these vaccines prior to us ordering them, which also ensures we have them available in time for your appointment.

WAITING ROOM - One of our Receptionists has been working hard recently to update the notice boards and information available in the waiting room. We hope this will be much clearer and easier to look at and we would appreciate any feedback via our 'compliment or concern' forms available in the waiting room.

THANK YOU - A big thank you from all the staff for all the cards and thank you gifts we have received lately, we are very grateful. In particular, we have one very kind patient that regularly bakes delicious cakes for us - thank you very much!

STAFF TRAINING - The surgery will be closed for staff training from 1pm on Tuesday 18th June until 8am on Wednesday 19th June. Please could we ask that you order any medication with as much notice as possible to enable us to meet our tight deadlines.

WELTON PATIENT AND DOCTORS ASSOCIATION

A huge thank you to everyone who braved the elements to attend the Welton May Day Fair and who came along to the PDA plant stall. We made a total of £452.45 after the deduction of £15 for table hire which was an excellent result considering the monsoon which swept through the fair in the afternoon. Thank you also to those who provided plants for us to sell. The entire stall was stocked from donations for which we are very grateful. Finally regarding the fair we would like to thank the organisers who worked tirelessly to ensure the event went ahead **THANK YOU!**

PDA volunteering is a bit like painting the Forth Road Bridge. No sooner is one event over than we start preparations for the next! I am now looking to source prizes for our Autumn Draw which will be drawn at the Autumn Fayre. The tickets will hopefully be available from sometime in June (Incidentally a driver was asked by a patient during the 3rd week in April whether we had any tickets available so obviously an eagerly awaited event!)

I have 5 prizes already but if anyone feels that their contacts or business would be willing to provide a prize, please let me know. If you need an idea of the type of items offered in previous years, please give me a call.

Finally a note to all who book PDA transport through the Health Centre. The request comes through to me on a secure database and I then find a driver to undertake the journey and ring the patient back, usually within a few days, with driver name and pick up time. However there are occasions when I need a bit more information than I have had provided. Could I ask that, once having made the request and particularly if the only contact is a mobile number, could you please ensure that it stays **TURNED ON**? I have recently had quite a number of requests where I haven't been able to contact the patient and this is not a satisfactory situation for anyone. I can't book the transport with insufficient information and the patient won't know what time to be ready for pick up.

Dates for 2019

Autumn Fayre - 26th October

Christmas Lunch - 6th December

If you require any further information on any of the above don't hesitate to give me a call (862570).

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

Our hub event for June gives you the chance to learn how to prepare healthy and delicious Indian vegetarian food for you and your family. Our own library volunteer Jagu Dhorajiwala will be demonstrating how you can make a tasty dish from a few relatively inexpensive ingredients that you will then be able to sample. So make a note in your diaries to come along on Thursday 27th June at 10:00am for this event. Please note that this is not a day that the library is usually open, however we will be using the Manor Park pavilion as normal.

Just to also mention that the library offers additional items as well as it's excellent range of books. We do have both photocopying facilities on site together with printing from our public lap top computers. A number of people use our free WiFi facility to sign onto their emails or utilise search engines and then print items off. We make a small charge for the copying and printing, 10p for black and white, 50p for colour.

We have also just received a range of leaflets detailing Lincolnshire Memories and Memorial Trails which show walking, cycling and driving trails mainly around RAF sites and also a 'tank trail'. One of the cycling routes starts in Welton and passes ex RAF sites at Faldingworth, Wickenby and Dunholme Lodge. So do call in if these are of interest and see for yourself.
