FROM THE MINISTRY TEAM

What is your story? How do you make sense of the world? How do you know where you fit in? For many of us we understand the world through stories - perhaps in books, on TV, in the newspaper, listening to our family and friends and on social media (for the young at heart!). Stories convey a way of looking at our situation and our world. They help us to understand what is going on, how it affects our fellow human beings and where we fit in. Some see a complex world which they try to understand and play a meaningful role to make it better, albeit it in small ways. Others prefer to see how they can make the best of it for themselves. The rise of individualism has changed the way we live as a society with a greater emphasis on 'doing it my way'.

During Easter we heard one of the Grand Narratives in which Jesus progressed from being a popular itinerant preacher to be tried and crucified by the Roman authorities - only to rise again thereby bringing a new understanding of mankind's relationship with God. It's an enduring story that challenges us to think about the fickle nature of mankind, how we might wrestle with the big and small problems we face in our lives, and to consider the enduring relationship God has with mankind - but to recognise that our understanding of that relationship changes with each generation. Each generations, and each of us, has a slightly different 'take' on it.

I am writing this on Palm Sunday - the weather is fantastic. As I walked to church in Burton a procession of Austin Seven cars made its way through the village on the annual 'Sevens to the Sea' outing. They were splendid - as were the drivers demonstrating their double declutching skills going up the hill! We were joined for Holy week by Father George Guiver, from the monastic order the Community of the Resurrection in Mirfield. He will be talking to us throughout Holy week and imparting his 'take' on the Easter story.

My own story is changing - we are moving house and I have just become a grandfather. I am spending more time in an administrative role in the hospitals in Lincolnshire. The whole of the NHS is in difficulties and in Lincolnshire we have some particular problems which we need to fix so that we can provide the care required by the people who live here. The services required are quite different to those the NHS was set up to solve in 1948 when average life expectancy was around 65.8 years. The separation from social care is a particular problem for many people. Our parish story will be starting a new chapter when Revd Sebastian Mattapally joins us as our Rector.

How will your story unfold over the next year? How do you see it fitting in with the enduring narratives of our lives in Britain and the big pictures unfolding in our rapidly changing world?

Neill Hepburn

PRAYER FOCUS FOR MAY

We pray for the peace of God, which passes all understanding to descend on the world.

We pray for it to change the hearts of those who would harm innocent people.

That it would eradicate all hatred, jealousy, injustice and intolerance.

Leaving behind the compassion and love of God to grow and encircle the entire globe.

BISHOP OF LINCOLN'S LETTER

Dear Friends,

I always think of May as the month of becoming. This is true in nature around about us as we see trees coming into full leaf, fields becoming full of crops, lambs and calves no longer looking frail and new-born. It is true for the many children in our church schools, as they move towards the end of the school year and the exams and assessments which both measure progress and shape futures.

We can take all the small signs of becoming which are around us as symbols of a much larger picture about becoming - becoming the people that God would have us be. We are told in the Bible that we are all made in the image of God. And that is the great challenge to all of us: to live up to that reality so that people can see the image of God in us and in the way we live our lives. It is a lifelong journey but one that we can only take step by step, day by day: all the while allowing God's image to come to the fore.

What does this mean? It sounds rather difficult, but, with God's help, it is not. To enable the image of God means (as Paul says) to show faith, hope and love towards other people. When we allow God so to work in our lives, we are becoming the best people we can be, and the person God made us to be.

+ Christopher Lincoln

THANK YOU

As I write this we are in the middle of a very busy Holy Week which has come so soon after the service of Induction at St. Hilary's. I would like to thank you all for your support over the vacancy and for your hard work and commitment that has enabled services to take place in churches that are so well cared for and loved. Thank you too, for the support given to me personally and Geoff as we have travelled a path that has lead us to this point.

During this Holy Week we have been accompanied by Fr George Guiver CR who has been exploring the theme of 'Where is God in all this? A toolbox for exploring our questions.' Prayer and community, hallmarks of the monastic tradition in which Fr George lives, have been recurring themes during George's talks throughout the week. These are also important for us too and as I make the first steps as Rector of the Owmbly Group, to see so many people came together as a community of support, love and friendship at the Induction Service was a wonderful experience. That feeling of togetherness and sharing in the celebration of the wider church family will help sustain us in the weeks, months and years ahead as we seek to build up our common life together across the parishes.

May God bless us all.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Creativity in the kitchen was at the forefront before the Easter break, when we had another 'Hackthorn Bake-off', which more than lived up to the expectations created by previous events. The net result was a fantastic turnout for the final Friday Assembly of the term, when the entries all went on sale in aid of School Funds.

Comic Relief (Wear Something Red to School) was also very well supported that day- it was interesting to see a number of Lincoln City football shirts being worn this year - total raised across the two events was more than £300!

Summer term is when the whole school starts to go to Gainsborough once a week for swimming lessons. This is one of our proudest traditions which sees experience passed down from old to young as the senior pupils help out the newcomers with getting ready to acquire this potentially life-saving skill. We believe very strongly that children should start swimming as early as possible and continue throughout their primary school career even after they have achieved the government's 25m target.

Following the huge success of last year's Jubilee celebrations, we are planning an afternoon of Maypole dancing on Wednesday 24th May. Everyone is welcome to come and enjoy this celebration of a great springtime tradition.

On the subject of tradition - our school bell rang again recently after a break caused by the installation of the new fence a few years ago. It had always been a highlight of each pupils' year when they were allowed to ring the bell on their birthday, so we are really pleased that, thanks to some ingenious re-routing of the bell-rope, it has been possible to re-introduce this into school life.

You can contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look around our website at www.hackthorn.lincs.sch.uk

NORMANBY & OWMBY

NORMANBY BY SPITAL PARISH COUNCIL NEWS

At the Parish Council meeting held on Wednesday 12th April, 2 members of the public, District Councillor Jeff Summers along with 6 Councillors and the Clerk attended.

D C Jeff Summers reported that WLDC planning department now has its full complement of officers and they are achieving 90% of reaching decisions in the given time.

The Local Plan is just awaiting approval and should be ratified by 24th April. 33 Parishes are now involved with the Neighbourhood Plan with 7 being fully operational. A leisure complex to be built in Market Rasen has been given the go ahead.

The matter of street lights being on all night in Owmbly was raised, but Normanby lights fall under the jurisdiction of WLDC and Owmbly under LCC. D C Jeff Summers was asked if he could get Normanby's street lights turned back on.

The training session on how to use the defibrillator will have been held by the time you read this - a thank you goes to the volunteers - and the street light near the Bottle and Glass is now on all night so one can see the defibrillator during the hours of darkness.

A meeting has been held with Highways regarding where an entrance should be constructed for the playing field, but we are waiting for confirmation. We are still waiting for information regarding having the overhead power lines across the field put underground. At this meeting it was confirmed that the refreshing of white lines in Normanby is on their list of jobs to do this year and Highways are working through the numerous potholes everywhere.

The grass verge along Main Street has been reseeded - could motorists please not park on the verge. The hedge in the centre of the cemetery will be lowered and halved in width as soon as the birds have finished nesting.

By a majority vote, it was agreed to support the Neighbourhood Plan, Cllrs Mrs B Moulson to set it in motion.

Yet again, I have been asked to request dog owners clear up after their dog has fouled.

The Annual Parish Meeting is to be held on **Wednesday 10th May** in the school hall, starting at 7.30 and this is an opportunity for all villagers to attend and express their views on any subject relating to the village. We would like to see you attending.

The Annual Parish Council meeting follows the above meeting.

FLIX IN THE STIX

Wednesday 3rd May, 7.30pm - Sully (2016)

Directed by Clint Eastwood and starring Tom Hanks, Sully tells the true story of when, on January 15 2009, the world witnessed the "Miracle on the Hudson" when Captain "Sully" Sullenberger glided his disabled plane onto the frigid waters of the Hudson River, saving the lives of all 155 aboard. However, even as Sully was being heralded by the public and the media for his unprecedented feat of aviation skill, an investigation was unfolding that threatened to destroy his reputation and his career.

As usual tickets cost £3, with £1 from every ticket donated to the village hall committee or parish council for use within the venue or local community. Food and drinks will also be available at each screening, with all proceeds going to the local village hall committee.

This project is currently funded in part by Big Lottery Fund's 'Awards for All' initiative to improve communities as well as by the British Film Institute's 'Neighbourhood Cinema' initiative and 'Film Audience Network' (through Film Hub Central East) to bring specialised film programming into areas with limited access to a cinema. The funding allows Blueprint: Film Foundation to provide screenings to village halls at no cost to the committee.

For more information about the film programme, visit www.flixinthestix.co.uk. You can also stay up to date by liking Flix In The Stix on Facebook at fb.com/flixinthestixlincolnshire or by following them on Twitter @FlixInStix.

THANK YOU

EDWARD GEORGE HALSTEAD

Kathleen and family would like to thank everyone who sent cards... also for their kind words and support.

Thanks to Revd Bill Williams for his comforting funeral service.

Many thanks from all of us at Glenthams.

GLENTHAM COMMUNITY TEST PIT DIG

Professor Carenza Lewis of Lincoln University (and Time Team fame) would like help in tracking the archaeology of communities, particularly in relation to the Black Death. Test pit digging should do this provided there are sufficient volunteers willing to dig a 1 metre square test pit in their gardens.

Volunteers needed.

WELTON PATIENT AND DOCTORS ASSOCIATION

Just a reminder that the PDA plant sale is going ahead as part of the May Day celebrations on Welton village green. If anyone has plants they would like to donate we can arrange storage and/or collection prior to 1st May. Bedding plants, house plants in fact any plants gratefully accepted. Hopefully you might receive the magazine before the 1st of May!

If anyone is interested the minutes of any of our meetings, they can be viewed on the Health Centre website www.weltonsurgey.co.uk/ppg

Please keep the eBay items coming. I recently took a call from someone donating a TV. We collected it the following day, listed it on eBay and it sold the same day!

The results of the spring lunch quiz etc. will be in the June magazine as the event was too late to reach the deadline for April.

Our next event is the Autumn Fayre to be held in Welton Village Hall on Saturday 21st October. Further details will follow in later magazines but we are now collecting bric-a-brac, books and tombola items. If anyone needs anything collecting, please give me a call. There will be a raffle as in previous years and I am now looking for raffle prizes. If any local business would like to donate a prize and get some free publicity, please give me a call.

Dates for your 2017 diary

Autumn Fayre: 21st October

Christmas Lunch: 8th December

If you require any further information on any of the above don't hesitate to give me a call (862570).

WELTON HEALTH CENTRE NEWS

PARTNERSHIP UPDATE - It is with great pleasure that we can confirm that Dr David Bletcher has joined the Partnership with effect from 1st April 2017. Dr Bletcher first joined the Practice as a GP Trainee in 2012 and has been working with us as a salaried GP since April 2016. We are very lucky to have secured him as part of the Team. In addition to this, Dr Kathryn Fickling has also joined us on a permanent basis and we look forward to working with her.

DISPENSARY - Dispensary staff are finding it difficult to answer telephone calls first thing in the morning and last thing in the evening due to busy surgeries at these times. Where possible, please leave requests for repeat prescriptions on the answer machine/online or if you need to speak to someone in person, please try and call between 10:00 and 16:00.

DNA's - In February, a total of 20 hours of clinical time was lost due to patients not attending for their appointments. This equates to 119 appointments in total. Please try to remember appointments or cancel with us if they are no longer required.

If you would like to be able to receive booking confirmations and text message reminders for appointments, please see Reception to sign up for this.

MAY BANK HOLIDAYS - The surgery will be closed for the two forthcoming May bank holidays. The surgery will close at 6:30pm on Friday 28th April 2017 and re-open again at 8:00am on Tuesday 2nd May 2017. For the second date, the surgery will close at 6:30pm on Friday 26th May 2017 and re-open again at 8:00am on Tuesday 30th May 2017.

Please could we ask that you give plenty of notice for repeat prescriptions as Dispensary gets very busy at these times.

URGENT 999 CALLS - Whilst we are actively supporting national campaigns to reduce inappropriate use of urgent 999 ambulances, please remember that if you are experiencing chest pain or shortness of breath then you should dial 999 immediately.

HOLIDAY SEASON - As many of you may now be starting to think about booking foreign holidays, please could we ask that you give us as much notice as possible for holiday vaccination requirements. As soon as you book a holiday abroad, please complete a travel vaccination form so that we are able to ensure all your vaccinations are up to date in time. More information available from Reception.

Leaving his stifling city job he set out to seek romance & freedom living amongst nature in cabins, tents & caves for the next 50years of his life. It's 1941 & Millican is in 'the safest spot to escape the kind attentions of Mr. Hitler' - his cave in Borrowdale.
