AROUND THE PARISHES

HACKTHORN CHURCH OF ENGLAND PRIMARY SCHOOL

I am writing this from my home office table, during my Easter holidays, whilst admiring the beautiful cherry blossoms and daffodils. Yesterday, I went for a socially distanced walk with a friend beside a field full of bleating newborn lambs. I love Spring! After such an unprecedented year, full of endless challenges, I am looking forward to the season of hope.

Ernest Hemingway wrote of spring in "A Moveable Feast" that the river will "flow again after it was frozen."

Things have seemed to be at a standstill for so long, but gradually we are catching glimpses of the river flowing again as lockdown measures are eased and more people get vaccinated.

This was certainly true when all of our pupils returned on 8 March. Health and safety measures were still in place but there was a definite air of hope amongst our school community and a desire to re-establish our school traditions. As a church school, we would normally hold an Easter service in the church, which would include lots of lively singing. This is probably the aspect we miss the most. We cannot wait to combine our 'bubbles' and hold our first whole school singing practice again. We still managed to share the Easter story with the children in their separate 'bubbles' and we were delighted when the local community organised an Easter story treasure hunt around the village for our pupils to participate in during the holidays.

We were also delighted that the Easter Bunny revisited school (he had a year off last year!) and left loads of eggs on the field for KS2 pupils and on the playground for KS1 pupils. The children were so 'eggs'cited! Our top value of 'Happiness' was definitely evident that morning.

Hackthorn school is a happy and exciting place to be. We will soon be organising transition events for the new children who will be joining us in September 2021. Hopefully we'll be able to have visits onsite.

Contact the school on 01673 860295 or visit our website at www.hackthorn.lincs.sch.uk if you would like to know more about us.

NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

An Ode to Elections

**May the 6th is a day to note
For that is the day that you can vote
Go along with a pen and mask!
To cast your vote is all we ask**

Once the votes are counted you will see

A new Commissioner, and Councillors' for Lincoln and Normanby

Elections - 6 May 2021: On the Thursday 6 May 2021 voters in Normanby by Spital will go to the polls to elect two new Parish Councillors. This election will take place at a time when COVID 19 continues to present risks to public health. Measures will be in place to ensure your safety.

It should be noted that there has been a change to where the Polling Station for Normanby by Spital can cast their vote. For this election, the Polling Station will be in Glenthams Village Hall and **NOT** in Normanby Village School as in previous elections.

If you, or anyone you know is unable to get to Glenthams Village Hall please give the Clerk to the Parish Council a call on 07779 302671 who will endeavour to get one of the volunteers to give you a lift.

Bullying, Harassment and Abuse - It is with great sadness that we, here at Normanby by Spital Parish council, find ourselves in a position where we are having to write this statement.

On Saturday evening, 10 April 2021, and Monday evening, 12 April 2021, two very derogatory notices were placed within the Community Park and on the Normanby and Owmby Community Facebook page these were directed at one of our Councillors. The notices were nothing short of hateful and divisive; not something that this Council will tolerate under any circumstances. Parish Councillors have the right to conduct council business without having to face bullying, harassment and hateful statements being directed towards them. Such actions are not only upsetting to the individual and their family but to other residents within our community and it is with that in mind that the matter has been handed over to the Police for further investigation.

This Council hopes that the perpetrators will come to realise that such actions are unacceptable and unnecessary but above all will not be tolerated within our community under any circumstances. It must always be remembered that Parish Councillors are accountable to the electorate and tasked with ensuring that all guidelines are adhered to. Accountability is not about blame and punishment; it is about acceptance and learning.

ST PETER'S CHURCH, GLENTHAM

Once again thank you to all those supporting St Peter's Church, Glentham, through the West Lindsey Community lottery. In the 4 weeks between mid-March and mid-April there have been 59 winners in the lottery. 3 of those are supporters of St Peter's Church and have each won £25.

The church is still open for private prayer every Sunday and Wednesday but it was good to hold a public service on Easter Sunday. There were 25 in the congregation - the maximum allowed under the current rules. Hopefully restrictions will be lifted sooner rather than later. The next service in the church will be on the 30th of May, which is Trinity Sunday.

The National Churches Trust is a charity, which helps maintain places of worship. They have awarded a grant to the church to put towards the cost of repairing leaks to the chancel and vestry roof and work should start in the next few weeks.

Robert Rowe, Churchwarden.

PRAYER FOCUS FOR MAY

We pray that as the lifting of lockdown restrictions continue that society will follow necessary ongoing restrictions with patience and perseverance and that all will be safe.

We pray all who are still suffering from the effects of COVID, both directly and indirectly.

Give us all a sense of your peace, Lord and help us return to our normality.

SPRIDLINGTON OLD SCHOOL: A BRIEF HISTORY - PART 3

JOSEPH SNOWDEN: BORN AND BRED IN SPRIDLINGTON

We all leave footprints in our lives. For many of us these markers are recorded by official records, preserved through letters or diaries, or passed on through family stories that remain long after we have died.

What I know about **Joseph Snowden** has been gleaned from several sources which show the mark he made on Spridlington. This part of his story is taken from the official census records from 1841 to 1881 and also from Parish Vestry Meeting Minutes between 1865 and 1882.

Joseph was born in Spridlington about 1801. The 1841 census records that he was living in the village of his birth with his wife Christina and son George aged 10 years. His occupation is described as Agricultural Worker. In 1861 he is described as School Master, in 1871 his occupation is recorded as Retired School Master and in 1881 at the age of 80 he is again recorded as Agricultural Labourer. Village life and working on the land were in his blood. These are the bare facts of his life. We know a little bit about him as a school master (see last month's Signpost "An Inspector Calls") and we also have other information about him.

Parish Vestry Meetings were held in the old school room (The first school where Joseph Snowden was School Master). Joseph was very much part of his community attending several Vestry Meetings where he was part of the decision making.

An extract from 26th March 1868:

"Several letters from the Poor Law Board upon the subject of letting the Parish Property belonging to this Parish having been read. It was proposed by Mr Sutton - Churchwarden, seconded by **Joseph Snowden** that this meeting do consent to the Guardians of the Poor of the Lincoln Union letting the Parish Property that is to say six cottages situated in the Parish of Spridlington now or late in the occupation of George Taylor, John Turner, Thomas Freeman, Thomas Andrew Snr, Thomas Andrew Jnr, and **Joseph Snowden**."

Minutes also record other decisions that would have had an impact on Joseph's life.

In 1871 it was resolved that the Overseer of the Poor give notice to **Mr Snowden** to quit his home at the proper time. One year later it was resolved that one pound per annum be the rent laid upon the cottage now occupied by **Mr Joseph Snowden**. In 1875, a committee was requested to inspect the house now occupied by **Joseph Snowden**, and to report upon its condition to a special meeting of the Parishioners.

The Parish discharged some of its charitable duty when every New Year's Day it "doled out" £5 to be distributed amongst the poor of Spridlington by the Churchwarden of Spridlington.

From 1872 - 1883 **Joseph** received between 3 shillings and 6 shillings annually. A total sum of 59 shillings (about £3.00 in decimal money).

Spridlington Parish extended this duty of care when in March 1882 it is recorded that: "Mr J Harrison proposed & Mr Sykes seconded that Mr Boulton's bill of 12/- for medical attendance on **Joseph Snowden** in April 1881, be paid out of the Constable's Book. Carried unanimously. This is the final time in the Vestry Minutes where **Joseph Snowden's** name is mentioned.

These are the bare facts of what is known about **Joseph** through official sources. The picture painted is one of service to the community as a teacher, a life of poverty, ill health, poor housing, notice of eviction and rent increases. It's a sorry tale - but it is not the full story. **Joseph** kept a personal journal that gives us a unique glimpse into the past and into his day to day life in Spridlington.

Coming up: **Joseph Snowden's** personal journal, an everyday story of a countryman: Weather; Harvests; Births Marriages and Deaths and news from around the villages.

Anne Hunter

POETRY

Another favourite of mine is *The Little Black Dog* by Elizabeth Gardner Reynolds.

I wonder if Christ had a little black dog,
 All curly and woolly like mine:
 With two long silky ears and a nose, round and wet,
 And two eyes, brown and tender, that shine.
 I am sure, if He had, that that little black dog
 Knew, right from the first, He was God;
 That he needed no proof that Christ was divine,
 And just worshiped the ground where he trod.
 I'm afraid that He hadn't, because I have read
 How he prayed in the garden, alone;
 For all of His friends and disciples had fled
 Even Peter, the one called a stone.
 And, oh, I am sure that the little black dog,
 With a heart so tender and warm,
 Would never have left him to suffer alone,
 But, creeping right under his arm,
 Would have licked the dear fingers, in agony clasped,
 And, counting all favours but loss,
 When they took him away, would have trotted behind
 And Followed Him quite to the Cross.

TALES OF A 1970'S MILKMAN

By Tony Trevor

Part Three

On trips through Normanby, I notice one change that I would have loved to see back in the 70s; street lighting. Four days a week I started my round in Highgate Lane and a few lights would have made all the difference. They may have saved me getting into bother with one customer.

To save my legs I thought I would cross the front lawns of the council houses on Main Street. One house had a small hedge to hop over. One morning there was a note left for me. The message pointed out that I was leaving a hole in the lawn (where I was landing), so would I please use the path provided. Whoops! See what I mean about street lighting?

On the other side of the road there were some OAP bungalows, and as I was depositing the milk on the doorstep of one of them, the door opened and the lady who lived there said to me, "Tony, could you help me please?"

We went into the front room and she sat down on the settee and handed me a pair of-stockings! She explained, "It's my arthritis, I can't bend very well." The sight of a twenty seven year old dad of two putting on, expertly it has to be said, an eighty something year old lady's stockings would not have been an everyday occurrence I would think. Luckily we soon reached the point where my customer's rheumatic state was no longer a problem and she took over.

Whereas this lady needed my help, I was pleased with a helping hand from someone else.

Every now and again the dairy set up sales competitions. Over a period of six weeks we had to sell as much of a certain product as possible. There were prizes to be had. Some of my colleagues really got into the swing of it, but I tended to rely on a leaflet drop and let nature take its course.

After five weeks, things were not going well, and then it just so happened that the Burkitts from Cliff House, Owmbly were to throw a dinner party. And they wanted some cream -six pints all told! No nipping off to Tesco's then, just send for the milkman. They saved the day. Forget the clogged arteries, I was a winner.

It was not always your regulars who boosted your sales. One morning in Spridlington I was asked to drop some milk off at this average-sized wooden building that had appeared overnight in a field on Owmbly Road. It belonged to a group of travelling evangelists. They stayed for a few days, and then they dismantled the house of prayer and moved onto their next destination. Have Church will travel.

At Colletts Farm on Cliff Road, Spridlington, I encountered another group, this time a band of Irish potato pickers. They didn't bring their accommodation with them; they made a base in a room on the upper floor of the barn for about six weeks. They came year upon year, and they liked their milk. No competitions this time, just more profit for the Dairy.

I'm writing this piece looking out on a snow covered lawn, and it has reminded me of a morning in winter when, because of road works, I had to divert through the park at Hackthorn, and what a beautiful sight it was that greeted me - with all the trees white over after a heavy frost the night before. A few brief moments in time that takes you away from the reality of the raw cold penetrating your bones, and made me realise that this was one of the reason's I loved doing this job in the first place.

Be sure to look out for the next Signpost at the end of the month for part four of Tony's tales of a milkman in the 70s.

WELTON PATIENT AND DOCTORS ASSOCIATION

Hello all!

Another huge thank you to all those who donated plants and yet more jigsaws for the sale over the Easter weekend at 57, Ryland Road, Welton. Many thanks also to those who came along and bought enabling a further £550 to be added to PDA funds. I'm sure you will all agree this is an amazing amount for a table top sale with an honesty box!

Depending on the weather over the May Bank Holiday weekend we will be holding further table top sales at 25, Sudbrooke Road, Scothern, 37 Holme Drive, Sudbrooke and 57, Ryland Road, Welton where we are hoping to sell bedding plants etc. If anyone has any plants which they could donate please let us know and we can collect if necessary. Again, please label what you bring so that we know what we're selling. If anyone has any small bric a brac items we could sell please let me know.

We are hoping to hold an Open Garden event on Saturday 26th June. Further details will be in the June magazine but what I can tell you is that there will be an admission charge which will include delicious homemade cake and tea, coffee or a soft drink. The garden is being offered by a PDA Committee member who is also a PDA driver. There will probably be 2 different priced tickets as we are hoping to also sell full afternoon tea for those who book in advance. The garden is around 7 miles from Welton but we will be providing transport as we have done in the past for PDA lunches. The garden is suitable for most but possibly not for wheelchairs. I hope to have more information by w/c 10th May. Please telephone me for further details if you are interested in this event.

I have just received notice that, having closed due to the pandemic, Welton Luncheon Club have kindly donated their surplus funds to Welton PDA in the form of a cheque for £850. This is an amazing gesture for which we thank them. In a future copy of the magazine I will publish what has been purchased for the practice with this money.

Please all take care of yourselves and each other!

If you require any further information on any of the above don't hesitate to give me a call (862570).

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

The library re-opened in April with some semblance of normality thankfully returning as people are once again able to browse and select books themselves. Of course we continue to abide by COVID guidance to ensure volunteers and borrowers are kept safe, this will be adjusted to reflect any changes to government and library service guidance.

So we hope that members who have used the library service in the past will start to return through our doors and that others who have perhaps been enjoying more reading in lockdown will continue with that and look to join the library. Do remember that it is a free service that is provided with the support of Welton Parish Council and the County Council which means it is not just the printed word but also gives you access at home to ebooks, magazines and even music.

We are keen to encourage more children to come along with their parents and enjoy the many books we have for them to explore. Being a library member means that parents can save money on books and the children save pocket money. In addition we like to celebrate Elmer Day, he is the elephant that makes the world a much brighter place, and this year his special day is at the end of May. So please keep an eye out for the exact date of our celebration with crafts and stories for younger children to enjoy.

Finally our hours are currently slightly restricted to those in the past so we are open Monday 12 noon to 5 pm and Tuesday 9.30am to 2.30pm. We will of course be closed on both bank holiday Mondays in May. At the time of writing we are unable to provide access to the public computers but hopefully these will be made available shortly and will be advertised around the village and on the Parish Council and Welton News websites.

WHAT'S BEEN HAPPENING?

OP RABON - Due to the rise in theft and attempt theft of Land Rovers/Range Rovers and Ford Transits we are working with communities and conducting Hi-Vis patrols to reduce this.

ASB - Since the ease in lockdown rules we have seen an increase in groups of children and young adults congregating at hot spot locations. We have increased patrols in these areas and are addressing issues such as alcohol drinking, noise, littering and COVID breaches.

COVID-19 Regulations - we are slowly coming out of lockdown but please ensure you remain aware of the latest Government Guidelines by logging onto gov.uk/coronavirus and adhere to the rule of 6 (or two households) in an 'outside' setting. The risk is still there so please remember to respect social distancing rules.

SPEEDING - We will be conducting speed checks in hot spot areas to reduce the amount of speeding vehicles on our roads.

LOCAL PRIORITY - Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months. Our priority(s) for the next quarter is:

1. COVID 19 pandemic breaches
2. SPEEDING - proactive speed checks
3. OPP RABON - reducing vehicle crime

To report a crime, please **call 101**. If it is **urgent**, please **call 999**. If you would like to pass information anonymously, please call **Crime Stoppers on 0800 555 111**.
