MAY'S LETTER FROM THE MINISTRY TEAM

My earliest memories of going to church and Sunday School are being taken by my grandmother when I was knee high to a grasshopper. She was so at home in the small, beautiful church in East Barnet where I grew up that I quickly felt that way too. I loved to hear the drama of the Old Testament stories and the amazing life of Jesus Christ that those early days instilled a deep love of my faith, so regularly explained and demonstrated by my grandmother.

Many Grandparents play a vital role in our lives today; it may be that they help their adult children financially, maybe they are heavily involved in the care of their grandchildren. However, Grandparents also have the potential to be a significant influence in their grandchildren's spirituality.

Psalms 78 in 'The Message' Bible says 'Stories we heard from our fathers, counsel we learned at our mother's knee. We're not keeping them to ourselves, we're passing them onto the next generation - God's fame and fortune, the marvellous things he has done'.

I take from that passage that a Grandparent's job is to be a disciple; to pass on the rich heritage of faith in God, focused on Christ to our grandchildren. If Grandparents can embrace this then they may have a far greater impact on their grandchildren than they could possibly imagine. So how could this be achieved? I offer some suggestions.

Perhaps grandparents could tell their grandchildren about how God has worked in their lives, his gifts, his support, his faithfulness; a personal testimony is a powerful thing from someone you love and look up to. Share and discuss Bible stories with them, there are so many resources these days you can use either online or on paper to help bring these stories to life. If possible, bring your Grandchildren to church with you, children and young people of all ages are welcomed in churches, they are the future of our faith after all.

My life has gone full circle. I was once the grandchild, taken to church by my grandmother and I am now that grandmother taking my grandchildren to church. It is a great source of joy to me to see them being welcomed into the church family and experiencing the rich heritage of faith in God focused on Christ. I commend it to you to give it a try.

St Barnabas Lincolnshire Hospice

Feathers from Above

We would like to introduce our latest In Memory Appeal for 2024, Feathers from Above.

At St Barnabas we recognise the importance for those in our local Lincolnshire communities (not just those touched by Hospice care) to remember their loved ones. Every two years we present an ironwork campaign, which consists of a bespoke, handmade ironwork that can be displayed at home, or outside in the garden. Our previous In Memory campaigns include the Forget me Nots at Lincoln Castle, Dragonflies at Doddington Hall, and Forever in our Hearts at the Deans Green, Lincoln Cathedral.

This year, we are proud to be working with local artist Kevin Baumber who has designed and created our incredible feather ironwork. Feathers from Above will be presented in the beautiful surroundings of Aubourn Hall, Gardens and Grounds from Thursday 2nd May to Sunday 19th May, 10am - 4pm. This will include the 1,000-feather ironworks forming a stunning interactive display of art. It offers a wonderful day out to enjoy the grounds at times that are not usually open to the public.

In addition to the day experiences, on the evenings of Thursday 2nd and Friday 3rd of May, we will be hosting special opportunities of reflection. This will consist of, ambient music, a live saxophonist, welcome refreshments, and a display our supporters' dedication.

For more information on Feathers from Above, please visit our website <https://stbarnabashospice.co.uk/feathersfromabove/>

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

Based at Manor Park, Hackthorn Road Welton LN2 3PA

Our opening hours are Monday: 12noon to 5pm, Tuesday: 9:30am to 2:30pm, Wednesday & Saturday: 10am to 12 noon

We recently had a wonderfully morning with many local children making their own dragonfly during one of our free events for children. The next date is Saturday 25th May and we start at 10:30 with a storytime followed by crafts at 10:45. This will feature that ever lovable patchwork elephant called Elmer and we will be happy to welcome all accompanied children aged up to 10 years.

We welcome back popular speaker Ken Moore who will give a presentation on the local people and places that shaped the development of the World War One tank, giving an insight into the true meaning of turning ploughshares into swords. The talk is entitled 'Mother and Little Willie' and is taking place on Tuesday 21st May at 2pm, all welcome. At the end of each talk we do have a retiring collection, sometimes for the Library and Community Hub and at other times for charitable speakers. I am pleased to report that due to the generosity of those attending the collection for our March talk amounted to £115.90 all for the benefit of Lincs and Notts Air Ambulance.

Please note that there are two Monday Bank Holidays in May; 6th and 27th, and whilst we will be closed on those days we will be pleased to see you on either the Saturday before or the Tuesday after to help you find your holiday reading.

Newsletter for May 2024

"Time flies" - How often do we say that? It only seems like yesterday that we were wishing each other "Happy New Year" and now Easter has come and gone. According to the American cartoonist and author Bill Keane, "Yesterday's the past, tomorrow's the future but today is a gift. That's why it's called present." We're almost half way through 2024 so, if you haven't already found out about Lindsey u3a, today is the day because "Time flies when you're having fun!" At Lindsey u3a we aim to do just that whilst we LEARN, LAUGH and LIVE.

We meet at Welton Village Hall usually on the first Thursday of the month. However in May our meeting will be on the third **Thursday, 16th May** to accommodate the hall being used as an Election Centre and the following week the Farmers' Market

You are invited with no obligation to one of our meetings. Doors open at 9.45am for tea/coffee followed by a speaker at 10.30am. If you decide to come along for a look, tell someone on reception you are new and one of our friendly greeters will show you round and answer any questions..

On 16th May our speaker will be Keith Hanson talking about "British Kings and Queens from 1066" and on 6th June Kenneth Moore will give a talk entitled "You'll fly laughing"

We offer a wide range of interest groups run by members for members. Check out our website lindseyu3a.org.uk to see if anything appeals to you.

u3a members can also join various online talks, workshops and courses. You can find out more from www.u3a.org.uk

If you can't come to one of our general meetings you could join us at the 'Gardeners' Retreat' tearoom at Scothern Nurseries for a cuppa and a chat at 10.15am on the fourth Thursday of the month. The next coffee morning will take place on 23rd May, 2024. Whether you're a newcomer wanting to know more about Lindsey u3a or if you're already a member and just fancy a cuppa, maybe a scone and a chat, do come along. Everyone is welcome.

Everything you need to know about Lindsey u3a can be found on our website lindseyu3a.org.uk. You will find a comprehensive list of our interest groups, where and when they meet plus news about visits of local interest or theatre visits and holidays arranged by members for members.

Should you require any further information about Lindsey u3a please do not hesitate to contact me - Mandy Murphy. Email: mandy.murphy1396@gmail.com Tel: 01673 565295

WELTON PATIENT AND DOCTORS ASSOCIATION

Several other 'willing volunteers' are now booking transport in addition to myself. The Health Centre know who is covering at any given time and therefore, although we know it is sometimes difficult to get through, please use the Health Centre number to request transport.

Can I explain once again the system in place for arranging transport to Health Centre only appointments?

I put together a rota of drivers for each working day of the month and this is sent to the Health Centre. When you book an appointment and you know that you will need transport, please mention it while at the reception desk or on the telephone. Your name will be added to the list for the day of your appointment and the driver is called the previous evening with a list of patients to pick up together with addresses and appointment times.

As I have no access to the diary I can't book transport for Health Centre appointments - I think this is worth repeating as I'm still getting calls about transport to the Health Centre.

We are getting several offers of plants for our plant sale at the Welton May Fair on Monday 6th May but we would still like some more please! If anyone has any plants, indoor or outdoor, which they are willing to donate please get in touch. Collection can be arranged. If you are splitting a large plant in your garden, we are happy to take any surplus. We will be open for business when the fair opens at midday so please come along and have a look.

Ask my GP has recently been revised and I thought it might help patients to understand further what the benefits are the reasons behind making changes. I hope that you find this helpful.

Custom Action Buttons - A Patient Guide:

Sick/fit note request - For patients to be able to request a repeat sick note or fit note. This is for ongoing issues. If you have not yet spoken to a clinician regarding your illness you must do this first via the consult a clinician tab.

Blood test appointment - This is for patients that know they are due or have been asked to book a blood test appointment by the GP or hospital. If you use this request button, a link will be sent out for you to book your appointment. This is not for patients to request a blood test for a new medical problem or self-refer.

Appointment cancellation - to cancel any appointments at the practice only. Please note this must be done in a timely manner.

Request Results - For patients to request results that they would usually ring for. For example, bloods, urine, stool. You are also able to enquire about x-rays and scans. Please note these are also available for patients to view on the online access to records.

Annual Medication Review - These are for patients to be able to request an appointment for a medication review. Patients should ensure they have booked in for their bloods and BP before the review appointment.

Medication Query - This is to be used to contact the dispensary if you have any queries regarding to your current medication or acute medication. This cannot be used for repeat medication queries.

*Not yet live but will be very shortly.

Referral Queries - For any queries relating to an outstanding referral that you have. These requests will go directly to the secretary. This is not to be used for any new referral requests or to advise of new symptoms relating to an on-going referral. New symptoms or requests must go to a clinician.

The custom tabs will be open for patients from 8am-1pm each day and hopefully this will help in the long term increase the clinical capacity and lengthen the opening times on AskmyGP.

This new system will hopefully reduce the phone calls into the practice and therefore decrease the telephone waiting times.

Any further information on any of the above don't hesitate to give me a call on 01673 862570.
