FROM THE PARISH PRIEST

Dear All,

I wonder what your earliest memory might be? I can remember certain FA Cup Finals from my childhood - it seemed so much more of an event back then and none of them featured Aston Villa - and, as a schoolboy in Castle Donington, my attempts to pretend to be Barry Sheene on my bicycle!

November is a month when we will have the opportunity to remember. First of all, at the beginning of the month (on the 3rd) there will be a special Memorial Service in the church at Owmbly at 6pm. This is a service at which we remember people dear to us who have died during the preceding 12 months, but also all those we continue to love deeply but see no longer. It is a moving service and all are welcome. If you would like a special person remembered in the service, please do let me know.

A week later we will, as a nation, stop and remember all those who have done - and who continue to do - so much on our behalf. Once again all are invited to attend the various church services and Acts of Remembrance that are planned for across our communities (please see the service listings).

As the Royal British Legion states, "Remembrance is important because, by looking back and remembering, we can learn from the past and shape a peaceful future". In November, as we look back and remember, may we seek - and pray for - a future that is defined by love, light and peace.

With my love, prayers and best wishes

Adrian Smith

BISHOP OF LINCOLN'S LETTER

Dear friends,

What a fantastic summer we've had! The wonderful warm weather and those big, blue skies seemed to go on for ever.

However, there's no doubt now that things have changed and the season is turning. As I write, the bright blue sky has given way to grey as the rain pitter-patters on my window. Warm woollies and raincoats have been dusted down, and all around us the glorious green of summer is giving way to the browns, reds and yellows of autumn.

While I enjoy the summer, I also enjoy this time of year. Those changing colours which are all around us, the fruit on the trees and those fallen leaves crunching underfoot, are a reminder that human life is marked by change as much as it is by constancy. And as the light summer days give way to the darkness of winter that is coming, we are reminded, too, of our own mortality and the transient nature of this earthly life.

Our church calendar is a big help here, since at the beginning of this month we keep the festivals of All Saints and All Souls.

All Saints is a day when, as a church, we remember that great cloud of witnesses who have gone before us; the saints whose lives are an example and an inspiration to us as we try to live out our vocation as disciples of Jesus Christ in our time, just as they did in theirs.

All Souls - or as it is also known, the Commemoration of the Faithful Departed - is a time for us to remember our loved ones before God, giving thanks for all that they have given to us, and commending them to his unfailing love.

If there are services for these festivals taking place in a church near you, I encourage you to go along and take a full part in them. Both of them are an opportunity to examine our own Christian lives in the light of those who have gone before us, who have loved us and inspired us, and to dedicate ourselves once again to follow Jesus in the service of others and of God

+Christopher Lincoln:

The tree is a symbol of the growth of the Bishop's vision: faithful, confident, joyful.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

October is always a bit of a milestone for our reception children, because it is the time of year when they get to put their wealth of experience to good use when we welcome pre-schoolers to the first of our activity afternoons. They may have only been in school for 5 weeks by that time, but they take their responsibilities very seriously as they welcome their potential future colleagues into their classroom for an afternoon.

Last month was quite unusual for key stage 2 because the autumn 'welly walk' was held on a day when waterproof footwear was actually needed! Previous walks had often been held in remarkably unseasonal weather, but this year, they found all sorts of the right bits of nature in the right places, and took some fabulous photos of fruit and flowers looking at their artistic best sprinkled with sparkling water droplets.

Anyone who missed our previous article might be interested to know that we are still on the lookout for a **Midday Supervisory Assistant** to work from 11.45 until 1.05 Monday to Friday for 39 weeks of the year. If you are interested, please telephone the school for more details.

Following on from the success of the Family Bingo Night, the Friends of Hackthorn School are organising their 3rd annual Fashion Show by Lincs Fashions (Top Brands at Half Price or less - no seconds). It will be on Monday 4th Nov at Hackthorn Village Hall starting at 7:00pm. Tickets are available from school, or you can pay on the door, price £3.50 each or two for £5.

Contact the school on 01673 860295 to arrange a visit, request a School Brochure or enquire about vacancies.

HACKTHORN & COLD HANWORTH LOCAL HISTORY GROUP

Hackthorn and Cold Hanworth Local History Group was formed in 2004 and our first meeting was in May of that year. The Group was formed to record the lives and times of people and events in the 20th Century in Hackthorn and Cold Hanworth and a beautiful limited edition book was published in 2006.

The Group meets regularly in Hackthorn Village Hall and details of these meetings are published in the "Signpost" with information about guest speakers when appropriate.

New members are always very welcome, so if you are interested in learning more about the surroundings in which you live or are just interested in history, we will be very pleased to see you.

**Thursday 21st November, at 7:30 p.m.
Hackthorn Village Hall**

This will be a general meeting to which everyone is welcome. We shall reminisce about old times and friends with a glass of wine and nibbles. Any information about the way villagers celebrated occasions in their youth will be very welcome especially if it is written in a form that can be placed on the Hackthorn Website. If you have memories of Chapel Anniversaries, Bonfire Nights of your youth and how you filled your evenings without television and the opportunity of travel etc. please come along and share them with us. You will be very welcome.

THANK YOU

VILLAGE TENNESSEE HOE-DOWN - 14 SEPTEMBER

Thank you so much to everyone who came along on Saturday 14th to help make the event such a success. We managed to munch our way through vast quantities of the hot buffet, together with a total indulgence of American chocolate cake! After which, we then tried to concentrate our minds sufficiently to answer the American Quiz - which some did better than others! A big thank-you to those who worked so hard preparing and serving the food, the drinks and the entertainment, and compiling the quiz, plus all the contributions towards the raffle.

A most enjoyable afternoon and evening. Thank you.

WINE, CHEESE AND REAL ALE EVENING - SATURDAY 5 OCTOBER

It really was a mouth watering and thirst-quenching event... and families and friends joined each other for a delectable evening tasting a variety of cheeses and wines, and sampling some real ale. There was even an opportunity to identify a mystery bottle of wine - with a prize!

Thanks to everyone who came along and helped to make the evening so enjoyable. There was such a wonderful buzz in the hall all evening and we managed to raise £211.33 towards the Village Hall renovations. Thank you.

VILLAGE HALL RENOVATIONS HAVE BEGUN!

The outside of our Village Hall has been transformed!

An intrepid band of volunteers set to on 21, 22 and 28 September to paint the outside of the Village Hall. Everyone who came gave whatever time they could spare, and ages ranged from pre-school age to octogenarian. With enthusiasm, and fortified with bacon sandwiches, rolls and copious amounts of tea and coffee, windows and doors have been painted, wood has been repaired and treated, the corridor walls have been painted, the lamp standard and light fittings have been restored, a window in the main hall has been replaced, and the whole area looks bright and shiny.

The cost of the materials alone was circa £850. A massive thank-you to everyone who gave their time. It could not have happened without you.

Also... a huge thank-you to everyone who has attended the fundraising events that have been taking place and are making the renovations possible. There are more renovations and more events planned, so please keep supporting whenever you can.

Many thanks

HEALTH CROSSROADS

Have you ever had a conversation with someone where what they say suddenly seems to make absolute sense? They're not telling you anything new, but all at once it seems clearer, like the last piece of a jigsaw being put into place.

Well, I had one of those moments the other day. I was down in Oxford visiting some friends and I met a woman, Christine, who I think was in her 60s but who certainly looked and sounded 10 years younger. She was lively and energetic, slim and obviously in good shape. After a while she told me that her son, Alex was a personal trainer and he'd been on at her for years to do some exercise and she'd always refused. She hated exercise and hated the idea of going to a big gym where she felt everyone (especially younger women) would be looking at her. She didn't want to go through what she saw as the pain and misery of getting fit. But, she told me, she was starting to feel the effects of age - getting out of breath, joints getting stiff, aches and pains, needing help with the shopping bags - you know the sort of thing.

And then Alex said to her, "Mum, why don't you give yourself a gift - the gift of feeling like you did when you were younger." So she did. She started working with him privately on a personal training regime and, she told me, it transformed her life. She changed to become the active, vibrant woman that I saw in front of me.

And that's when it struck me. That's what we do at Wellbeing Fitness. We train people, mainly but not exclusively aged over 45, in private in the studio on your own with your trainer. We tailor a programme to fit exactly what they need and we look after them, give them motivation, making exercising fun and enjoyable. We show them that it doesn't involve pain and misery. And like Christine found out: it's never too late to start.

WE HELP OUR CLIENTS GIVE THEMSELVES THE GIFT OF FEELING LIKE THEY DID WHEN THEY WERE YOUNGER. Wouldn't you like that too?

OWMBY SPONSORED BIKE RIDE

It was a perfect day for cycling, sun shining, with a gentle breeze, not too hot! I was taken to Scotter, so started my ride from there, went onto Scotton, Northorpe, Blyton (stopped for lunch at the ice cream shop!) Pilham, Corringham, across the A631 to Springthorpe, Heapham, Upton and finally Willingham by Stow when my legs told me that was enough after about 20miles! Many thanks to everyone who has sponsored me, my grand total is £252, half of which our parish church will keep, and the other half goes to Lincolnshire Churches Trust. Once again a big thank you to you all.

ST. PETERS AND PAUL CHURCH HARVEST LUNCH

The sale of harvest food brought to the service raised £61 which we donated to the Nomad Trust. We had a soup and pudding lunch after our Family Harvest Service, which was enjoyed by 21 adults and 7 children, it was a lovely friendly atmosphere, with so many staying afterwards. Many thanks to all those who helped and supplied the lunch.

JT. PCC HARVEST SERVICE AND LUNCH

After the service at Hackthorn Church taken by the Bishop of Lincoln, 61 people came along and had a lasagne or jacket potato lunch plus a lovely selection of puddings, in the village hall. The money raised was for Kisimul School, which is for children who require one to one attention. The grand total was £649.35 (less the cost of the village hall) which is an amazing amount, so I am sure they will find this very useful towards the children's enjoyment.

OWMBY-BY-SPITAL PARISH COUNCIL

Notes of the Council Meeting held on Monday 16th September 2013

REPORT FROM POLICE, DISTRICT AND COUNTY COUNCILLORS

PCSO A Rapier forwarded incident reports to the clerk prior to the meeting. There was only one incident for the area. A dog had been abandoned and tied to a post on the S bends near to Owmby Cliff Farm. The dog has now been rescued. If anyone has any information about this please contact 07944 776999.

PUBLIC PARTICIPATION

- 1) A member of the public raised that many road signs are obscured by overgrown trees and hedges. Resolved the clerk to contact Highways to request that they are cut back.
- 2) A member of the public raised that there is a lot of noise and smoke coming from the development at what was the golf club. Advised that if the smoke is a problem they should contact Environmental Health.
- 3) A member of the public raised that a footpath needs re instating. Resolved Cllr Crompton-Howe will contact the enforcement officer again.
- 4) Cllr Wiggins raised that a member of the public had requested that the Parish Council allow them to change the name of their house. Resolved the Parish Council would have no objections to this but this is a matter to be dealt with by the Post Office.
- 5) Cllr Mellor reported on a recent meeting he attended re the Central Lincs Core Planning Strategy which has been produced by the JPU. The renewable energy section have adopted a policy of raising 60% of power used in Lincolnshire from renewables. The nationwide average is 22%. The County Council objected to this. However the City Council, WLDC and North Kesteven Council did not object. Every Parish Council who attended the meeting objected but had no voice. To reach the 60 % set out in the plan, West Lindsey and North Kesteven would have to accept at least 6 major wind farms. Cllr Mellor is hoping to attend future meetings to oppose the plans.

OUTSTANDING BUSINESS

- a) Playing Field - Cllr Crompton-Howe has

attempted to contact Cllr Summers to arrange a meeting with the land owner to discuss ways forward. Resolved the Clerk to e-mail Cllr Summers to try and arrange a meeting.

- b) Normanby Village Hall Account - The Chairman reported the account with Brewin Dolphin has now been closed. A new account has been opened with Lloyds. The balance is £9936.34. GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL NEWS

NOTES ON COUNCIL MEETING HELD ON 3rd OCTOBER 2013

The **mobile library** service will be withdrawn from May next year, despite the Council's objections. The case was taken through two levels of complaint and ultimately to the Local Government Ombudsman, all to no avail. However, residents who are incapacitated will continue to receive an unchanged service.

Residents are urged to protect their **oil stocks** against theft. The best course of action is to prevent access to the storage tank if possible.

A recent survey of residents indicated almost 50% of the properties are occupied by people interested in a **piped gas supply**. The National Grid requirement is at least 40%, so the Council is able to proceed to the next stage. This involves asking interested parties for permission to give their names and addresses to the National Grid, which is necessary to satisfy the Data Protection Act. A flyer will be circulated throughout the village asking for permission, so everyone has another chance to express an interest, again without commitment at this stage. Would everyone interested please complete the form and return to the Village Shop; there is no commitment at this stage.

The Council has regretfully accepted the resignation of Chairman David Rayner, who

has taken this step through pressure of work and other responsibilities. His work on the Council is appreciated, and David has kindly offered to lend a hand with practical help when possible. A **vacancy for a new Councillor** exists, please let the Clerk or one of the Councillors know if you are interested.

As previously reported, the children's playground has new fencing and is looking very smart. However, routine inspections by Councillors have revealed that **empty drinks cans and bottles** are being left lying in the playground and the swings are often tied up. The Council asks that the play area is treated with care, for the safety of children.

Finally, the Council expressed its deep sadness at the passing of **Colin Rainer**. Colin had always expressed an interest in the workings of the Council and involved himself in many aspects of village life, including the role of Flood Warden. He will be greatly missed.

Dates of next meetings

The next meetings will be on 7th November and 5th December at the usual time of 7.30pm in the Village Hall, please come along to observe or have your say.

WELTON HEALTH CENTRE NEWS

Thank you for the continuing feedback on the changes to our surgeries - we are making adjustments where possible to take account of this. We are encouraged by the positive remarks to date and how many people find the earlier Minor Illness Clinic start time more convenient and we have now extended this to cover those attending between 8.30am - 9.15am. Apologies to those who preferred the previous arrangements but we are also trying to address the issue of booking appointments in advance rather than having a rush to book on the day. As such, we are now releasing more appointments at regular intervals for forward booking whilst limiting the book ahead to two weeks in an effort to reduce the number of appointments booked but not used or cancelled. In August and September alone we had 38 hours of wasted doctors and nursing appointments which obviously causes considerable frustration.

We are involved with our local practices at looking at ways to reduce pressures on A&E attendances for problems which could be dealt with by more suitable professionals and remind patients to contact the surgery for advice if in any doubt before attending A&E. 111 is also available at all hours for non-emergency advice for health related issues and is a freephone number.

Regular reminders of overdue medication reviews are given to patients but are now always heeded. Please note that for safety reasons, if patients are more than three months overdue for a review, despite reminders, medications may be removed from patients' repeat lists and not reinstated until the patient is reviewed.

We are still collecting details from patients at our reception desk for those who wish to register for online booking of appointments - we are looking for approx. 500 patients to express an interest so that we can open up this facility.

We have been advised of a service for online counselling for young people (11-19yrs old) which is available by visiting kooth.com - a free confidential anonymous website where young people can go for help with bookable 1:1 sessions available if needed.

Information on equipment available to help people with independent living is also available at www.lincstelecare.co.uk or by telephoning 01522 554040.

Sallie Stead

PS - We are pleased to report that Dr Stephen Barton is making good progress following his recent setback and advises that he is hoping to resume training for the 2014 10k very soon!

WELTON PATIENT AND DOCTORS ASSOCIATION

Did we hear ourselves complaining that our gardens needed rain just a few weeks ago? Well, our prayers were certainly answered on Sat 12th October! Persistent rain fell all day so much so that the helpers at the Autumn Fayre almost needed boats to get the sales items into the Village Hall. Did the rain deter the visitors to the event- it certainly did not and the magnificent sum of £2175 was raised for PDA funds. A huge thank you goes to all our supporters and helpers both on the day and leading up to the event. Your generosity never ceases to amaze me, thank you.

By the time you read this the PDA AGM will have taken place and the Committee for the forth coming year will have been elected. I hope that some of you came along to the meeting.

I appealed in the October magazine for anyone who thought they may be able to give a few hours a month to our volunteer driving scheme and have had some response. I would still be interested in recruiting a few more drivers so, if you feel you might be available to help, please give me a call (01673 862570) I can promise you that there will be no pressure!

Finally the Christmas Lunch will be held on Friday 6th December in Welton Village Hall. Tickets priced £5.50, for a 3 course Christmas Meal, will be available in early November from Roy Minnitt (01673 860980) and from the Health Centre Dispensary. Please book early to avoid disappointment as this is always a popular event.

“The Last Illusion”

Inspired by the variety shows from the Victorian music halls, THE LAST ILLUSION tells the story of a retired magician and his wife who look back and remember the good old days spent 'treading the boards' in the variety theatres of a bygone age. But when a theatrical agent needs a last minute replacement act for a local cabaret evening, René and Renaldo agree to come out of retirement and prepare for one last farewell performance. With music, silent comedy and illusions, this family show will take you on a poignant 'magical mystery tour' to the past - and back again.
