Normanby by Spital annual Remembrance Service will take place on **Friday the 11th November** by the **Normanby and Owmbly War Memorial**, by the church in Normanby, starting about 10.50 am so we can have the 2 minutes silence at 11. Do please join the school children and Councillors at this event.

WE ARE
MACMILLAN.
CANCER SUPPORT

I would like to say a huge 'Thank You' to everyone who supported the **MacMillan Biggest Coffee Morning** at **Ss Peter & Paul Parish Church, Owmbly**. A special thanks must go to those that helped during the day fetching and carrying, cutting cakes and boiling water and all those hundreds of little jobs that needed to be done by someone - a huge thank you.

Also thank you to all the wonderful people that took time out of your day and came along to make this both a memorable and successful day for the MacMillan Charity. Together we managed to raise £279.25.

Thank you once again for your generosity and commitment.

Michele Waite

FROM THE MINISTRY TEAM

This month our thoughts are drawn inevitably to all that is recalled and symbolized by the Cenotaph in Whitehall and at Remembrance Day services in towns and villages throughout the land.

During this past year many of us visited Lincoln Castle to view the beautiful display of poppies which, as always, serve to remind us of the dreadful loss of life and the suffering that war brings with it.

Then, again at the Castle, hundreds of us gathered one evening in July to see a re-enactment in drama form of things that were happening in Lincoln in 1916. I refer of course to the Lincoln men and women who, under the direction of Sir William Tritton, created the world's first battle tank. Next time you ride or walk down Tritton Road, spare a thought for all those men and women who worked so hard and put in untold long hours at the Wellington Works of William Foster and Co. in Firth Road, to ensure that the brilliant idea of Tritton and his colleagues could see the light of day and make such a great contribution to the British war effort.

We shall also be remembering in our thoughts and prayers the colossal number of men and women who have died or suffered in the two terrible wars of the last century and in many other conflicts since. I shall myself be thinking of my father who served with the Royal Artillery in France during the first World War (he died when I was ten), and of my dear stepfather who was with the Norfolk Regiment during the second World War and spent four terrible years as a POW in the Far East.

I feel sure that many of you who may read this letter will be remembering with affection their own relatives and friends who have suffered so much because of the terrible consequences of war.

May the God of peace lead the nations away from war and draw us along the paths of love and peace.

May God bless you and all whom you love.

Revd. Dr David Young

BISHOP OF GRANTHAM'S LETTER

Dear Friends

On the 8th of this month, the people of the United States of America will go to the polls to elect their President. The campaign thus far seems to have been hard fought. The commentary that I have read suggests that both main party candidates stir strong emotions and opinions. I am not going to venture to predict the outcome, nor to share my own thoughts about which candidate I would be more likely to back, were I eligible to vote.

I am, however, going to invite the people of greater Lincolnshire to pray for the people of the United States: for the guidance of the Holy Spirit in the decisions that they have to take and for the wisdom of the Holy Spirit for whoever may be elected at the end of the campaign.

As I am growing to know and to love the communities of the Diocese of Lincoln through my privileged role as Bishop of Grantham, I think I am recognizing a pretty widespread pride in local identity. I have talked to many people who have lived all their lives on one street in one village, and who are delighted to have done so. Local matters in Lincolnshire.

But local doesn't mean 'parochial', I don't think, and I have had many conversations with people who balance being fiercely proud of their own community with a genuine interest in the affairs of the wider world: compassion for the Syrian people, for instance, or clear views about the international economics of farming, fishing or manufacturing.

It is quite possible to learn from each other, to grow to value each other more deeply, and to be concerned for each other, without necessarily ever wishing to travel too far from one's home or place of birth.

There are many examples in Jesus' teaching and ministry of the ways in which he sought to help people to grow in love and to recognize the things that they share with each other. Many of the challenges that he issues invite self-reflection and repentance - key stepping stones on the road of love. And in St John's Gospel, Jesus describes himself as a vine with many branches, with the Father as the gardener.

The vine of God extends across time and across place, drawing us into relationship with our Creator and our Saviour, and with each other. As members of the vine we can be pruned and we have the capacity to bear fruit.

This month, whatever our personal circumstances, whether we have always lived in one place or have travelled widely, may we try to find time to reflect on the fact that through faith all can be members of the vine of God, and can be both sustained by our membership, and changed by it. Moreover, may we be generous in our praying, for surely someone will be generous in their praying for us, someone whom they have never knowingly met, but whom they know to be part of the Lord's vine.

May God bless you,

+ Bishop Nicholas

PRAYER FOCUS FOR NOVEMBER

Our prayer focus for November is Remembrance. This month we pray for those who are sad: for those who have lost partners, family and friends this year. We remember with gratitude the millions who gave their lives for our country in two World Wars.

The reason why people give up so fast is because they tend to look at how far they still have to go, instead of how far they have come.

This year's **Armistice Service** will be at **Welton Village Memorial at 10.50 a.m. on Friday 11th November** and the **Branch Remembrance Service** will be on **Sunday 13th November at St Michael and All Angels Church, Hackthorn at 10.50 a.m.**

Everyone is welcome at these services and Branch members will be delighted to see you.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

It is one of our proud boasts that anyone who attends the whole of Key Stage 2 at Hackthorn will, in the course of their education, have witnessed at least 4 different Shakespeare plays thanks, in no small measure to the Young Shakespeare company who, this year, introduced the children to 'Twelfth Night'. These performances, in which the children get to take part as well as watch, are an eagerly anticipated milestone in our school calendar.

Another event which everyone hopes will become part of the school's tradition, was the wonderful day we spent at Hackthorn Hall picking apples from their orchard. It is events like these that open the children's eyes to the huge variety there is available in all our produce if you look beyond the supermarket shelves. And yes, they all agree, fresh is best!

Congratulations go out to our football team which narrowly missed topping their group due to late equalisers from the opposing teams in the annual Centurion Partnership competition. Our squad was taken from the whole of Key Stage 2, so particular respect to our Year 3 & 4 pupils for taking on much larger opposition! Great enjoyment was had by all who took part.

A big thank you to the Friends, whose cake stall (and what a fantastic looking stall it was) did a roaring trade at the Hackthorn Dog Show raising a tidy sum to support our school.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look around our website at www.hackthorn.lincs.sch.uk

Thank you so much to all of the members of the community who helped us celebrate our rebrand at the beginning of the month! The balloon launch was a real success, the colours of the school launched into the air for everyone to see from far and wide! It was great to see all of the children's faces light up when they did it! We have such a fantastic school and now everyone knows who we are with our clearly identifiable and easily recognisable logo. I am so proud to be the Headteacher here. It is my mission to make sure that the world knows all about us and the amazing success and achievements that happen here every day!

NORMANBY BY SPITAL PARISH COUNCIL NEWS

1 member of the public turned up to our meeting on Thursday 13th October, a full complement of Councillors but no Police - who now say they will not be sending in regular reports - and neither DC Jeff Summers or CC Lewis Strange could make the meeting.

The school are allowing certain groups to use the hall in the evenings, even during school holidays, which is very pleasing.

We are concerned that **some A&E departments are closing in the evenings**, as the knock on effect for Lincoln County and Boston hospitals could be even longer delays for local people. Agreed to express concerns to Sir Edward Leigh our local MP.

A new Community Defibrillator Scheme has been set up by West Lindsey District Council. Agreed to get more information regarding this scheme.

As no one has expressed concern about the **telephone box closure**, it looks as though it will close. Regarding the **turning off of street lights from midnight to 6am**, concerns were raised about safety for people who have to get up early in the mornings to walk their dogs before going to work. Agreed to contact Highways Street Lighting to ask if everywhere within LCC area have their lights turned off.

Cars parking on pavements, on a bend in the road and on the yellow zig-zag lines - would all motorist not only consider other people who may have walking aids or pushchairs but the law. Parking within 10mtrs/32 feet of a bend is illegal (for a good reason as you are causing an obstruction) - no matter for how short a time and the zig-zag lines are also there for a reason, mainly to protect children getting to school, yet at school start and finish time, there are cars parked dangerously. Please also be aware that people have to be able to get in and out of their own entrances. If you are short of time when dropping your child off, try to leave home a bit earlier - easier said than done I know - but please do not be the one who causes a serious accident. Is a **local activity club** something your child (approx. 9 to 15 years of age) would be interested in? Would you, as parent or carer, be prepared to volunteer to help out every couple of months or so? If yes, please contact Andrew on participation@lincolnshire.gov.uk or call/text 07824 803464

OWMBY BY SPITAL PARISH COUNCIL NEWS

Notes of the Council Meeting held in the Parish Church on 20th September 2016

REPORT FROM DISTRICT COUNCILLOR - Cllr Summers reported that WLDC are very busy producing the Local Plan and continuing with the process of devolution. The 10 councils in Lincolnshire have joined forces as part of the devolution process and as a starting point £15m per year for the next 15 years will be allocated. He reported that devolution will mean greater local control for education, schools and health. The council are trying to ensure that the education system fits our area better and provides young people with the qualifications they need in order to stay in the area. During the consultation process, local people have been very positive about the devolution process. However, very few people actually bothered to take part in the consultation. WLDC are currently purchasing 30 defibrillators to distribute across the area at a discounted rate. WLDC will pay 20% of the cost. Cllr Summers also reported that there is a new development levy on new houses being built to support the growth of schools, health and infrastructure. The Local Plan is proceeding well and the inspection will take place in November. Cllr Summers recommended that Owmbly do carry out a Neighbourhood Plan to ensure future development in the area takes place where local people would like it to take place. He strongly recommended that Owmbly and Normanby residents should consider developing a plan together. High quality CCTV has been installed in Market Rasen and Gainsborough.

PUBLIC PARTICIPATION - There had been reports by a member of the public of vandalism at the Cricket Pitch. No one was aware of the issue. A member of the public reported that a street light on Fen Road is not working. Clerk to report to highways.

VACANT COUNCILLOR POSITION - Cllr Mellor proposed that Mrs. S Carter should be co-opted onto the Council. Seconded Cllr Wiggling. All agreed. It was resolved that S Carter would be co-opted.

HIGHWAY MATTERS - The Councillors discussed the possibility of creating a layby on Fen Road opposite some houses where a number of cars park at the last meeting. Clerk contacted highways. Still awaiting an answer. Clerk to contact again. A member of the public has reported that the road near the church is in a poor state of repair. Resolved clerk to contact highways. Post meeting note. The LCC Highways department has responded that it is up to the residents to provide their own off road parking or in the case of any rented houses the tenants should contact the landlord and encourage them to provide it. LCC Highways department has no budget for such facilities.

CEMETERY - Two quotes have been received to restore the cemetery path. Clerk to discuss with Normanby PC. The Clerk from Normanby, Cllr Mellor and Cllr Bird from Normanby have undertaken an inspection and topple test of the memorials. Cllr Bird has produced a risk assessment, inspection sheet and headstone policy following the inspection. It was resolved that Owmbly PC are happy to adopt these. Thanks were offered to Cllr Bird.

PLANNING MATTERS :-

PA134670- Arden Farms Application to erect 3 dwellings on Owmbly Cliff Road, off Pump Hill councillors comments have been submitted to WLDC

PA133521 & 133550- Mr. Marshall. Playing field and s106 update. Resolved to sign the s106 agreement and a separate conveyance for the £10,000 and additional piece of land

NEIGHBOURHOOD PLAN - There is now a core group of volunteers who are willing to lead a neighbourhood plan. Clerk to contact Luke Brown from WLDC to discuss the next steps and we will also try again to encourage Normanby PC to join us. Cllr Summers reported that Neighbourhood Plans have been used successfully to prevent developers building in areas where locals do not want development. If any other people wish to volunteer to help the group, please contact the parish clerk.

FLIX IN THE STIX - GLENTHAM NOVEMBER SCREENING

Lots of you enjoyed Flix In The Stix' screening of Spectre last month, the organisers would like to thank everyone for coming along and showing support!

This month, there will be a screening of timeless classic **Casablanca** - on **Wednesday 2nd November**. As usual tickets cost £3, with £1 from every ticket is donated to the village hall committee or parish council for use within the venue or local community. Blueprint: Film Foundation are a non-profit organisation and all other box-office proceeds will be put towards running the project. Food and drinks will also be available at each screening, with all proceeds going to the local village hall committee. Doors open at 7pm.

Flix In The Stix is currently funded to run until May next year, but if you would like to see it continue, you can **vote for us** to receive a grant from Aviva's Community Fund scheme! Voting opens on October 21st and closes November 18th, and we'll need as many votes as possible so do share with neighbours, friends and families! You can vote on the Aviva Community Fund website: www.avivacommunityfund.co.uk/voting/project/details/16-1751

This project is currently funded in part by Big Lottery Fund's 'Awards for All' initiative to improve communities as well as by the British Film Institute's 'Neighbourhood Cinema' initiative and 'Film Audience Network' (through Film Hub Central East) to bring specialised film programming into areas with limited access to a cinema. The funding allows Blueprint: Film Foundation to provide screenings to village halls at no cost to the committee.

WELTON PATIENT AND DOCTORS ASSOCIATION

By the time you read this article our Autumn Fayre will be over for another year. Unfortunately this news is submitted before the Fayre is held so you will have to wait until the December issue to find out how much money we made!

Our E bay sales continue to bring in a steady revenue so thank you to everyone who has donated sale items. Please keep them coming!

The PDA AGM will also have been held by the time this magazine is out. I will update you on Committee members and anything else which may be of interest in the December magazine.

Tickets for the Christmas Lunch, to be held on Friday 9th December, are now available priced £5.50 each for a 3 course meal. The meal is held in Welton Village Hall and this year we have the added attraction of St Mary's School choir who will sing Christmas songs for us from 11.45am for approximately 20 minutes. We ask that you arrive at the village hall to be seated by 11.30 to enable the choir to start on time.

To reserve tickets please contact either myself Janet on 862570 or Isi Reynolds on 860941. Tickets will also be available from the Health Centre Dispensary. (The new telephone numbers are due to changes of Committee members at the AGM on 27th October.)

Finally. To the lady who lost her bracelet at the Flu Clinic on 1st October. It has been found and is at reception although you may already know this.

If you require any further information on any of the above don't hesitate to give me a call (862570).

Janet Goddard

WELTON HEALTH CENTRE NEWS

It is with great regret we have to announce that Dr Nicola Porter has resigned from the practice and will not now be returning to work as a partner following her recent maternity leave. Dr Porter has chosen to spend more time with her young family and we all wish her the very best. We know that patients will be disappointed to hear of this and we will keep patients informed of future arrangements.

Please do not wait to be recalled for your 'flu vaccination. If you think you are eligible please come along to our next Saturday Drop In Session on **Saturday 5th November 9 - 11.30am**. Don't be put off by the queue! - we have a team working and patients are seen very quickly. We are also offering booked appointment slots on the same day for children in the "at risk" category or under four years old. The vaccine is given as a nasal spray, no needles involved, and we would encourage all parents to protect their children (and others) by having this.

We have been made aware of an unknown pharmacy company contacting patients trying to sell medication for their condition. They appear to have details of what ailments the patient has and we would like to reassure patients that this information has not come from the practice and we have no knowledge of this company and advise patients to contact the police if they receive any such suspicious calls and do not be persuaded to part with any financial details over the 'phone.

Reminder to please cancel appointments if not needed - the reception staff are advising that the appointment system is under great pressure and not helped by appointments being made but not kept. Twenty six doctor appointments and seventy two nursing appointments were made but not attended in September.

Could we remind patients not to come to the surgery if suffering with acute chest pain. We have had a few examples recently when this has happened and an emergency ambulance has had to be called on each occasion. Please dial 999 if you are suffering from chest pains - do not drive or make the journey to the practice.

“Holmes & Watson”

Before slipping into well-earned retirement, Sherlock Holmes has prevailed upon his long-time companion Dr Watson, his landlady Mrs Hudson and Inspector Lestrade of Scotland Yard to join him in a farewell tour of the British Isles. For the first time ever they will re-enact one of the detective’s most baffling unrecorded cases – The Case of the Prime Minister, the Floozie and the Lummock Rock Lighthouse – an affair upon whose outcome the security of Europe once hung by a thread. Shrouded in secrecy until now, this case has finally been approved by the government for public disclosure.

It is also understood that Mr Holmes has been entrusted by Her Majesty with the conveyance to the Tower of London of the fabled Satsuma Stone, stolen from the crown of William of Orange in the seventeenth century and only recently discovered in Europe. It is expected that the evening will include a glimpse of this priceless gem; in which case, one can only be thankful that Professor James Moriarty, the Napoleon of crime, fell to his death at the Reichenbach Falls. Or did he? Or is he still alive, planning another deadly strike as he lurks, unseen, in the wings...?

This is your final chance to catch Holmes and Watson as they embark on their Farewell Tour. Don’t miss them. It’s elementary!

“The Stephane Grappelli Story”

The STEPHANE GRAPPELLI STORY featuring the ANDY LAWRENSEN TRIO have made a bold and adventurous tribute to the life and music of the great musician. With interplay between Violin, Upright Bass and Guitar, expect to hear such greats as “Minor Swing” and “Sweet Georgia Brown” from the Django Years, through to Grappelli’s unique arrangements of “It had to be You” and “Honeysuckle Rose”. Of course Grappelli also worked with singers, so songs such as “It Don’t Mean a Thing” and “Misty” feature in the set, you may also hear some of Grappelli’s own compositions.

With sensitive, inspired arrangements, delivered with skill, spirit and plenty of banter between band members and audience, this show promises to provide a moving, enjoyable and memorable night’s entertainment which brings back echoes of a truly great Violinist and Musician
