October is the tenth month of the year in the Gregorian Calendar and one of seven Gregorian months with a length of 31 days. The eighth month in the old Roman calendar, October retained its name (from the Latin "octo" meaning "eight") after July and August, after Julius and Augustus Caesar respectively, when the calendar was originally created by the Romans.

In common years January starts on the same day of the week as October, but no other month starts on the same day of the week as October in leap years.

October's birthstone is the opal. The opal is thought to have the power to predict illness. This is because the opal responds to heat. Sickness increases body temperature before signs of illness appear. The increased body heat causes the opal to lose its shine, leaving it dull and lacking colour. It is also said that the opal will crack if it is worn by someone who was not born in October.

Its birth flower is the calendula.

The Zodiac sign for those born in this month is either Libra or Scorpio, depending on which day you were born.

FROM YOUR PARISH PRIEST

My dear friends,

Who gets paid for what

Someone said to one of our Non-Stipendiary priests that they assumed that he was paid to take services in church. Not so, he is a volunteer. Everybody else in our Ministry Team, right across the Owmbly Group and Springline Parishes, is a volunteer. In fact the word "Non-Stipendiary" actually means that he doesn't get paid, he doesn't receive a stipend.

Only one person in all the parishes is paid, and that's me. I am paid to be the Church's full-time worker in these parishes. I am paid to be the person who takes ultimate responsibility round here for what does or doesn't happen in and with our churches.

And actually, even I am not, strictly speaking "paid". I am "given a sum of money to ensure that I don't have to worry about the cost of supporting myself and my family". That's what a stipend is, not a wage, not a salary, not indexed to how many hours I work, or how qualified or experienced I am. Simply some money to make sure that I can be here, and be a parish priest for all the people of our churches and communities. And I am reimbursed for the expenses I incur in doing this work.

As part of a recent exercise on the working conditions of the clergy, I did an analysis of the various tasks I undertake day in, day out, week in, week out.

One of the saddest characteristics of life today is that everything has a price and nothing has a value. Using the church comes at a price - the roof has to be kept watertight and the bills paid. Travelling from one's own village to take a service or attend a meeting in another village comes at the price of the petrol. Laying on services and events often involves printing and other costs.

Otherwise, everybody in church does what they do for love. It may be (I hope it is) the love of God. It may be (and I am perfectly happy with this) the love of the task itself. I know many people derive huge satisfaction for some of the many tasks they undertake not simply to keep our churches up and running, but also to bring home over and over again this love of God. This is real service.

I really want to pay tribute to our many volunteers, both in and out of church, for all their voluntary work. The Church is by far the largest voluntary organisation in this country. Not only that, but churchgoing people also form, again by far, the largest number of volunteers in many other areas of life. Credit to them all.

The interesting thing is the Church really only exists, not for the benefit of those who go to it, but for those who never go to it. God gives Christians what the world sees as a very topsy-turvy set of values.

We don't mind at all. After all, at heart we do it, even me, especially me...
... simply for the love of God.

Peter Godden

LEO CHAPPLE

I baptised Leo at Hackthorn on August 15th, I think just about the most "village" occasion I've known at Hackthorn Church.

Leo is a very special child. Not that we aren't all, and Leo reminds me that we are all children of God and all have a special place in the heart of God. Leo's very own website will tell you a lot about his specialness, and I commend it (and him) to you all.

BISHOP'S LETTER

Happy New Year!

The Diocese of Lincoln is a major contributor to educational excellence both locally and nationally. Our Diocesan Board of Education is recognised as a leader in the field, whilst I currently Chair the Church of England's Education Division and Bishop David is Vice-Chair of the National Society Council.

The National Society was set up 200 years ago as the vehicle whereby the Church could help to provide the best possible education to all children, but especially those from the most deprived backgrounds. What is meant by "best" and "deprived" has changed a great deal over the past two centuries, but the principles undergirding our commitment to primary and secondary education have remained constant.

For some commentators, educational excellence is seen entirely in terms of test results and access to further and higher education. These things do matter, because we want all children to have the chance to achieve well at school, so as to thrive in their chosen profession and place of work. Our Church Schools are about that, but they are about much more besides.

Church of England Schools seek to provide opportunities for staff and pupils to teach and learn in an environment informed by Christian values, celebrating Christian virtues and promoting attitudes and aptitudes consistent with a good life lived for the common good. The word "ethos" is often used to capture what is special about our Church Schools, and although this added value is not unique to schools with C of E in their title, it is something which comes as standard in such schools.

The Coalition Government is committed to creating a new wave of Academies and "free schools". Whilst offering a robust critique of such proposals when they seem to fall short of the ideals we espouse - especially in relation to schools in deprived areas - we nonetheless stand ready to go on being a force for good in enhancing school experiences and life chances for our children and our children's children.

At the start of a new school year, we pray God's blessing on all pupils, teachers, support staff, Governors and Bishop's Visitors and re-dedicate ourselves to support and encourage them as best we can.

+ John Lincoln

The world's a city with many a crooked street,
And death's a market place where all men meet.
If life were merchandise which men could buy,

PROGRESS

The material progress of man in the past century is without parallel in all human history. Yet during this period we have participated in two World Wars, the Korean war, the Falklands war, two other serious conflicts and at least three catastrophic world-wide economic depressions.

Meanwhile, we are told by the United Nations that two thirds of the world's population is illiterate and close to two billion people are undernourished or starving yet still over forty million babies are added to the world population each year.

It is time to pause and think; our material progress has not solved life's problems, yet while our mechanical age has revolutionised our way of living, human nature remains much the same; I think the rules of conduct laid down by the great thinkers of past ages ought not to be discarded for the much, easy going, loose, self persuasions of today.

One finds unrest everywhere, but behind it one discerns the hopes and ambitions of many people, to enjoy a greater measure of the freedom, liberty and progress of the western democracies; there must be spiritual progress, as well as material progress, otherwise we shall fail in the challenge facing all mankind.

FLY TIPPING

This is a very unsightly habit some people have.

The local and county councils provide a very good disposal and recycling service. Yet some people still insist on dumping their rubbish on the grass verge and in drainage dykes.

If these dykes get blocked when it rains they will overflow and flood the area.

Could people please think twice where they put their rubbish, as it is an offence to fly tip.

If you see someone Fly Tipping please report them.

NORMANBY BY SPITAL PRIMARY SCHOOL

The school term has started and we look forward to another busy and successfully year. Mrs Wheatley is on a one year secondment and in her absence Mrs Tomlinson is Acting Headteacher. We welcome new teacher Miss Lucy Berry to school, and Mrs Lynda Watson in the role of school bursar.

For information about school activities please see the school notice board. This has been re-sited and will hopefully now be easier to read.

For anyone interested various clubs are held in the hall.

Mother (and fathers, grandparents, carers!) and toddlers meet on a Tuesday afternoon. Youth club meets on Thursday evening. Art club meets on a Friday afternoon and Brownies on Friday after school. Unfortunately we are not able to store equipment for each individual club within the hall due to a lack of space.

For information on any club contact Mrs Vernal in the school office on 01673 878216 and she will be able to supply a contact number.

Please note:

All evening and weekend School Hall lettings have had to be temporarily suspended until further notice due to a lack of a caretaker.

As soon as this issue is resolved lettings will be resumed.

NORMANBY EDUCATIONAL CHARITY

If you are resident in Normanby and have children up to the age of 25 in full time education please read on:

Normanby Educational Charity is a fund available to all students resident in Normanby By Spital (not Owmbly). It is **not** means tested but students must be in full time education and resident in Normanby, irrespective of where they are educated. It is available to students up to the age of 25.

Please send your application to me at the address below.

I need to know their name and address, their age, what year they are in and when they started school if it was since October 2009.

Please note that all students over the age of 16 must make the written application themselves giving their date of birth and brief details of where they are studying and the subjects being taken.

All applications must be received by **31st October 2010**. Unfortunately applications received after this date will not be accepted, as the allocations have to be prepared in time for the Meeting of the Trustees.

Please may I remind you that all students even though they have received a payment in previous years must apply again. If in doubt please contact me.

GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL

NOTE OF MEETING HELD ON THURSDAY 2nd SEPTEMBER 2010

Adjournment period for public questions - Matters raised and discussed were: There are two places in the village where drivers turning out of side streets have their line of sight obstructed and this needs to be addressed if possible. A tree at Barff Meadows has died and needs to be removed, as it poses a potential danger from falling branches. The Council agreed to investigate this. Work to prepare the precept for next year needs to be started. A planning application (no. 126141) for a lagoon to take run-off from a farm near Spital in the Street had been made but the District Council had failed to inform the Parish Council. The Council agreed to investigate this and agree a position. The meeting was then re-convened and Cllr N Simpson took the chair.

Future Jobs Fund Initiative - The meeting was given a presentation on the initiative that it will take into consideration when considering work in the village.

Highways - A few issues relating to highway maintenance, e.g. potholes and verge trimming, were noted and actions to address these agreed.

Environment matters - The dog waste bin at the bottom of Highfield Terrace has been replaced and a new litter bin has also been installed there. There is also a new dog waste bin near the parish notice board on the High Street. The issues of tree planting and the need for equipment in case of flooding were briefly discussed.

Playground - The Council is still awaiting the report from RoSPA on its annual safety inspection. In the meantime, a Council inspection has been made and damage and necessary remedial work noted.

Planning - Planning application (no. 126301) from WLDC concerning the replacement/renewal of overhead power lines and posts between Normanby to Kingerby, was discussed. The Council considered that the application appears uncontentious as it is to replace existing infrastructure.

Barff Meadows - Councillors considered an expression of interest in buying a small plot of Parish Council land at Barff Meadows without conclusion and will return to the issue later.

Minutes of the meeting - Full draft minutes of the meeting are now on the Parish Council Notice Boards on the High Street and outside the Village Hall. For updates on issues or to raise new ones contact the Clerk Andrew Dunn on 01673 878239.

HACKTHORN C. OF E. PRIMARY SCHOOL

One of the many advantages of being a small school is that there seems to be a lot less 'settling in time' after the holidays, indeed the teachers were extremely pleased to report that within 5 minutes of the start of the new term, key stage 2 were already hard at work with their numeracy and literacy. It is always a slight concern that, after such a long break, our pupils may have forgotten everything they had had learned before the 'summer' but it is always pleasing to see how many of them keep up their reading and writing during the break and actually come back showing an improvement.

As if by magic, our gardening club has continued to flourish over the holidays and has a healthy crop of tomatoes, potatoes, marrows and pumpkins, although we suspect that someone might have been keeping an eye on things for us while we were away (thank you Mrs S). Talking of produce, we will be holding our Harvest Festival Service on Friday 15th October at 2pm in the village church.. You are welcome to attend.

This is a particularly important time of year for parents of pre school children about to choose the primary school for their child.

If you think you'd like to come and join us in September 2011, or If you know any parents of pre school children coming up to foundation stage age who might be interested then tell them about our Autumn Craft afternoon for pre-schoolers on Thursday 21st October from 1:30 to 2:30 pm.

We see an afternoon like this as a way of enabling parents to make a more informed choice about their child's education. Places are limited, so please ring to book beforehand. Contact the school on 01673 860295 to arrange a visit or request a School Brochure.

LITTER PICK

Saturday 16 October 2010

The Members of Hackthorn and Cold Hanworth Parish Council would like to invite volunteers to help them with a litter pick of the area between the cross-roads and the A15. If you'd like to help, we'll be meeting at 10:00 a.m. at the War Memorial, where equipment will be available for use.

HACKTHORN VILLAGE HALL

The village hall is a valuable asset to the village community and is used by various clubs and organisations. The village hall is a registered charity.

***** We need your Help*****

Following a recent resignation, the hall management committee now needs to recruit a new Trustee and committee member. The duties and responsibilities are not very onerous and we have 3 to 4 committee meetings per year.

If you want to know more, contact the Treasurer and acting Chairman Mr Richard Wass on 01673 861847 or the Secretary Pam Tredwin on 01673 861070. Alternatively come along to the next committee meeting on 18th October in the village hall at 7.30pm.

You will be most welcome

***** Bonfire Night *****

Bonfire night will soon be with us and we shall once again be collecting material for the fire on 31st October

Only Natural material please - Material containing metal and plastics is not suitable.

ST MICHAEL & ALL ANGELS CHURCH

On Saturday October 9th 2010 at 3.00 p.m. a band of visiting ringers from Oxford will ring a peal on Hackthorn bells which will last approximately 2hrs 45mins. The ringers are from Milton in Oxfordshire where five of Hackthorn bells came from, these bells have been returned with an additional one cast, to make a set of six bells.

This is a nostalgic trip by the Milton ringers to ring their old bells in a different tower.

FLOWER AND QUILT FESTIVAL

THANK YOU FROM ST. HILARY'S

We would like to say a big thank you to all those who supported and helped with the Flower and Quilt Festival. Whether it was in the form of sponsorship, exhibiting a quilt, flower arranging, helping with refreshments, baking a cake, stewarding in church or in any other way; your kindness and generosity is very much appreciated by us all. The Festival was a huge success and raised £1000 for Church funds.

ST.HILARY'S CHURCH SOUND SYSTEM

Since my note in last month's Signpost, people have been most generous in donating to the above fund.

To date nearly £1900.00 has been raised and the book is still open.

We are launching our appeal this year with a social evening for our poppy collectors in Welton Village Hall on Thursday 14th October at 7.00 PM. Collecting tins and poppy boxes will be available.

Tea, coffee and a finger buffet will be served. There will be a raffle of prizes, donated by local companies. The Black Bull has started the ball rolling with a free meal and other traders are being approached.

More Poppy Collectors are needed. There are some areas which are not covered and others which need more help, so if you can spare a couple of hours and would like to help, or just want more information, please come along and meet us.

The Royal British Legion is a charity which cares for, both serving and ex serving members and their dependants, of the armed forces. A large proportion of our work now is as a result of the conflicts in Iraq and Afghanistan.

The Poppy Collection starts on Saturday 23rd October. Every penny collected by us goes to the Poppy Appeal. Nothing is taken out for expenses or administration, so please give generously; it all goes to a good cause.

I need to know the numbers attending, for catering purposes, so if you intend coming, please contact me. The evening is free, but we will charge for the raffle.

WELTON HEALTH CENTRE

It doesn't seem like twelve months since we were in the throes of the 'flu campaign last year and here we are again !

We are offering two Saturday morning clinics - 2nd and 9th October which patients may book into and in addition vaccines will also be offered opportunistically to those patients who fall into the relevant " at risk " categories, including pregnant ladies. Other clinics will be scheduled during the months of October and November as needed. As in previous years we are unable to offer vaccination on the NHS for anyone outside the recognised groups although the vaccine may be available on a private basis from our neighbouring practices. Under NHS regulations we are unable to offer these vaccines on a private basis to our own registered patients. If you are unsure whether you fall into the appropriate category please enquire.

It would be appreciated if patients could remember to ring or call in for the results of tests after 10.30am and ideally in an afternoon to allow the medical staff time to review and pass comment.

We have been advised by a patient of a worrying telephone call received recently from someone purportedly from this surgery. Fortunately the person concerned did not offer any answers to the questions posed by the caller and ended the call. However we would like to remind patients that if they are in any doubt about the authenticity of a call allegedly from any of the surgery staff, they should always ring back on a known telephone number to check and if there is any doubt report it to the Practice.

We have had a spate of cheques been given for payment in recent weeks which have subsequently "bounced" when presented to the bank and we would like to remind patients that we will now require a suitable cheque guarantee card with all payments settled by cheque. We also ask for payment for all private vaccinations before administering and for medicals, reports etc. at the time of the examination or receiving the report unless prior arrangements have been agreed. We too are a business and have to pay for such vaccines when ordered , whether used or not. In line with commercial pharmacies, prescriptions must also be paid for at the time of collection, we do not offer credit facilities.

Whilst we are happy to offer private services for medicals, writing letters of support, completion of insurance forms etc. we would respectfully remind patients that our priority is always our NHS workload and whilst appreciating patients' needs, every effort will be made to assist patients with private requests, on occasions workload demands may mean that delays occur. Please give any such requests to our reception staff and not directly to the doctors in surgery, so that they may be logged and appropriately processed.

Finally 52 patients failed to attend booked appointments in August and we are advised of 17 non- attendees at hospital. As always, please cancel appointments that are not needed - others may wish to use them.

FIREWORK INFORMATION READY FOR NOVEMBER

Are there any rules about times when fireworks can be set off, including days other than 5th November?

There are rules about letting off fireworks (except for gun caps and throwdowns). The law states that it is not permissible to let off fireworks after 11pm at night up until 7am the next day except for on certain days. These days are 5th November, when fireworks are permitted until midnight, Chinese New Year, Diwali and New Years Eve when fireworks are permitted until 1am the next day. The penalties for this offence are imprisonment (maximum 6 months) and a substantial fine.

Children are letting off fireworks in the street can the police do anything about it?

It is an offence to throw a firework in the street, thoroughfare or public place. Police forces can deal with this offence with a Penalty Notice for Disorder (£80) or through the courts (a fine not exceeding £5000). However, Penalty Notices for Disorder can only be given to persons over 16 years old.

What are the rules relating to fireworks?

It is an offence to:

- Possess adult fireworks (all fireworks except party poppers and sparklers) in a public place by anyone under the age of 18
- Possess category 4 fireworks (professional display fireworks) by anyone other than a fireworks professional
- It is illegal to supply adult fireworks to those under 18

Curfew on the use of adult fireworks between 11:00 pm to 7:00 am except:

- Bonfire Night - 12 midnight to 7:00 am
- New Years Eve - 1:00 am to 7:00 am
- Chinese New Year - 1:00 am to 7:00 am
- Diwali - 1:00 am to 7:00 am

Fireworks can be used between 7am and 11pm but you could also commit offences if you were to use them in such a manner as to cause a nuisance.

It is an offence to throw or set off fireworks in any highway, street, thoroughfare or public space.

If a person without lawful authority or excuse discharges any firearm or firework within 50 feet of the centre of a highway which consists of or comprises a carriageway.

We now have (finally) a re-calibrated speedgun and will be out doing checks on random roads on the patch. Feel free to wave if you see us if you drive past (at the correct speed, obviously!).
