### FROM THE MINISTRY TEAM

As autumn approaches and the leaves start to fall leaving a carpet of colour for us to walk on and conkers to collect, the noise from the fields seem to have quietened down. Tractors being driven at all times of day and night gathering in the harvest. It is the oddest thing when driving along a road in the dark and seeing lights coming towards you from what you are sure is a field! It is the busiest of times for our farmers and how grateful we are for the hard work and commitment of those who work on the land bringing in the goods and gifts of creation.

At our Harvest Festival services our churches are decorated with the most wonderful harvest produce from glorious carrots to good old spuds. Also among our harvest gifts are tinned produce and other dry goods that people give so generously. These harvest gifts are distributed to local charities and also baskets are taken to people in our villages. This sharing of gifts is an important part of community life in our villages and I would like to share this poem that uses seeds and gifts of a slightly different sort but that ones that will bring a plentiful harvest.

## BISHOP OF LINCOLN'S LETTER

Dear Friends

One of the highlights of last month for me was licensing Richard Holden as the new incumbent of Skegness. As I arrived for the service, my mind took me back to the ceremony on the seafront that I took part in several years ago, during which I blessed the new flood defences. Those defences are a constant reminder of the power of nature and our own vulnerability in the face of it.

Earlier this year, I was privileged to represent the Church of England at an international consultation on climate change. When I heard that the organisers had chosen Fiji as the venue, my first reaction was a feeling of tiredness at the prospect of such a long journey! Being there, however, was a real eye-opener. It was a fantastically challenging and interesting experience and I was reminded again of the intimate connection between God, humankind and the environment. The fragility of that beautiful part of the world, where climate change threatens their islands and their way of life.

I have returned to the diocese with a renewed sense of the importance of planning and working together if we are to meet the challenges of global warming.

We share with our Polynesian brothers and sisters a real and profound sense of connection with the natural environment, and I hope it will be possible for us to forge links that will enable each of us to learn from the other about caring for this world that God has given us.

+ Christopher

### PRAYER FOCUS FOR OCTOBER

This month we focus our prayers on all the changes which October brings. Our little ones begin school, our older ones move to senior school and last years' seniors move on either to work or higher education.

We pray Lord, you will be with them in the 'newness' of it all and with those whose calling it is to teach. We ask you to be with those whose hopes have been dashed and those youngsters without work. We hold them all and their parents and carers, in our hearts. Amen

**Don't cry over the past, it's gone. Don't stress over the future, it hasn't arrived. Live in the present and make the most of every day.**

## HACKTHORN C. OF E. PRIMARY SCHOOL

It was very pleasing at the first Good Works assembly this term to see so many of our year 6 pupils being praised for the way they had been looking after the new arrivals during their first few days at school. It's great to see them 'stepping up' to their new role as 'leaders by example'.

There is always a slight worry that the long summer break is just enough to allow everyone to forget everything they had learned before the holidays, but once again, the teachers have been delighted at how many children have continued to make progress with their reading and writing during their time away from school.

Others came back armed with pictures of things they had made using the produce harvested from their plot in the walled garden at Hackthorn Hall. Everyone is very proud of the links that have been forged with the Hall and we are very grateful for the opportunities that have been offered to our children who have spent many enjoyable hours there learning about vegetable growing and nature.

If you think you'd like to come and join us in September 2017, or if you know any parents of pre-school children coming up to foundation stage age who might be interested then tell them about our Autumn Art afternoon for pre-schoolers on 18th October from 1:30 until 2:30 pm.

We see an afternoon like this as a way of enabling parents to make a more informed choice about their child's education. These afternoons are always very exciting and enjoyable and places are limited, so **please ring to book beforehand.**

We will be holding our Harvest Festival Service on 14th October at 2pm in the village church when the children will be offering their traditional harvest donations. You are welcome to attend.

## **NORMANBY BY SPITAL PRIMARY SCHOOL**

Welcome back! I cannot believe how quickly the Summer holidays have flown by, the staff are well rested and raring to go after enjoying their break and it seems as if the children have had some amazing adventures and made the most of every little bit of sunshine!

We couldn't wait to open the doors this term and show off our new look! The children all look FANTASTIC and so incredibly smart in their new uniforms, they look so bright and colourful! I honestly think that all of the children look taller too!

The school has had a makeover, the front entrance has been redeveloped with a new reception and office area and the staff room has been relocated-it looks fresh and bright. We hope you like to new signs outside the school, proudly allowing everyone who passes to spot our fantastic school. The classrooms are newly immersed to reflect the new themes for each class. The staff have been working really hard to get them ready.

We were delighted to welcome our new Reception children, who came in looking so grown up and ready to learn. They were full of smiles and looked ready to be part of the school. They have all enjoyed their first week and seem to have settled in brilliantly!

**Busy Bees** - Don't forget, our ever popular pre-school is now open full-time. Please ensure that you make enquiries as soon as possible to see if your preferred sessions are available. They are booking up fast!

If you are new to the area or are considering your child joining our school, please feel free to ring the school and book a time to come round, our doors are always open and we would love to meet you. Call the school on:

## **WELTON PATIENT AND DOCTORS ASSOCIATION**

By the time you receive this newsletter there will be less than 3 weeks to our Autumn Fayre on Saturday 22nd October. The doors will open at 2pm but if you come early you can try to calculate how many balloons are in the car near the entrance. There will be 2 prizes for the nearest guess, 1 for adults and 1 for age 11 and under. Please spare a thought for those who have been chosen to blow up the balloons! We are still looking for bric a brac, tombola items, anything for the bottle and glass stall and bottles of wine for the wine or water stall, books and CD's. Bric a brac can be brought to the village hall on the day after 9.30am or collection can be arranged. All the tables have now been booked and there is a waiting list for cancellations. We have a number of new stalls this year including Candles, Arts and Crafts, Cards and Memory Books, Chilli Sauces, Wood Turnings, Bean Bag Cushions, Paintings and Knitted Goods, Recycled Jewellery and Textiles and Paper Craft. In fact something for everyone and I apologise if I've left anyone out! Why not buy early for Christmas? There are also charity stalls for St Barnabas Hospice and The Breast Care Group.

Raffle tickets are on sale at the Health Centre dispensary, Taylors Pet Foods and the Paper Shop in Welton and from all PDA drivers and Committee members. We will be at the surgery on the 'flu injection days which are planned for Sat 1st Oct and Sat 8th Oct. Please bring some money with you! We are also going to be selling in Welton Coop on Saturday 1st October from 9am to 5pm. Please stop and say hello and buy a book of tickets. At the time of writing we have over 30 prizes promised and you have to be 'in it to win it' We have had a number of items donated recently for sale on E bay so thank you to all who have responded to our appeal. If you have anything you think might be saleable that you would like to donate please get in touch.

Looking ahead, the **PDA AGM** will be held on **Thursday 27th October 2016** starting at 7.30pm in the Health Centre waiting room. There will be a short business meeting during which the committee for the forth coming year will be elected. The various areas of the PDA, Financial, transport, fund raising etc will each present a short report of the previous 12 months business and the audited accounts will be available for anyone to view. We then have a short talk which this year will be given by Dr Howard and the evening ends with tea/coffee and biscuits. It would be really good to see a few, or even a lot, of you there to show your support. The Committee works very hard in the background providing support to the Practice and we would welcome you to our AGM. The meeting usually lasts around 2 hours.

Looking ahead still further, we have just heard that the Welton St Mary's School Choir have agreed to sing at our Christmas lunch on 9th December. Further details in the next magazine. Tickets for the lunch will be available from the week in November and always sell out quickly. You can reserve them in advance to avoid disappointment.

Date for your diary:

Christmas Lunch - 9th December in Welton Village Hall.

If you require any further information on any of the above don't hesitate to give me a call (862570).

Janet Goddard

The STEPHANE GRAPPELLI STORY featuring the ANDY LAWRENSON TRIO have made a bold and adventurous tribute to the life and music of the great musician. With interplay between Violin, Upright Bass and Guitar, expect to hear such greats as “Minor Swing” and “Sweet Georgia Brown” from the Django Years, through to Grappelli’s unique arrangements of “It had to be You” and “Honeysuckle Rose”.
