LETTER FROM THE MINISTRY TEAM

Dear Friends

As I write this we are enjoying another Indian summer. It's that time of year when we see those beautiful early morning mists which seem to hover in mid-air, followed by clear warm days leading into cooler evenings accompanied by the sights and sounds of autumn. It's that time of year to go collecting conkers, scrunching beech nuts underfoot on the path, watching the trees and hedgerows gradually change colour ready to drop their leaves. The rowan tree in our garden has produced a feast of berries for the birds especially the blackbirds and bullfinches, we've had green woodpeckers digging for ants on the grass outside the kitchen window. The late afternoon sun sits on the flowers in the garden enhancing their beauty and giving them an almost ethereal look. A short walk out of the village and the crops are being harvested, combine harvesters working day and night, tractors full of shallots and potatoes are regular sights. Hay stacks that look like strong towers sit in the fields waiting to be taken into storage.

How blessed we are to live in such a wonderful part of God's creation and how appropriate at this time of year to celebrate the harvest and all the earth gives us. As we celebrate, we are also aware of the fragile nature of our world and continue to look at ways we can protect and be good stewards of our environment and cherish it for future generations. There are ideas and suggestions in the recently adopted Diocese of Lincoln Environmental Policy - www.lincoln.anglican.org/news/christians-take-action-to-promote-biodiversity

In the meantime our churches and communities gather to celebrate the harvest, to praise God for his goodness in giving us this wonderful creation which rewards us so richly, and to thank those who work day and night to ensure the good gifts of another harvest are safely gathered in.

You would be most welcome at our Family Harvest Festivals which are advertised elsewhere in Signpost. If you can please bring a gift - fresh produce or other goods - all gifts are gratefully received.

May God bless us all.

Sally

PRAYER FOCUS FOR OCTOBER

Creator God, forgive our moments of ingratitude, the spiritual blindness that prevents us from appreciating the wonder that is this world, the endless cycle of nature, of life and death and rebirth.

Forgive us for taking without giving, reaping without sowing. Open our eyes to see our lips to praise our hands to share.

May our feet tread lightly on the path we tread and our footsteps be worthy of following for they lead to you.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Coming back to our school after the summer break always gives everyone something to look forward to, this year saw the children coming back to a very clean, tidy and freshly painted school, thanks in no small part to the Friends of Hackthorn School. This hard working and dedicated group of parents, not forgetting some of their children who came along to help, spent a very busy day restoring order to the chaos caused by having the decorators in. Not only that, but all the chairs were pressure washed (along with the outside path for good measure), some brand new Lincolnshire post and rail fencing was installed outside and the greenhouse was given a thorough cleaning as well. We are extremely grateful to our Friends for everything they do to make our school an even better place to be.

There can be a tendency to worry that getting back into the swing of things might be a bit tricky after such a long break, but visitors to the first Good Works assembly of the new school year, and there were many of them, were left in no doubt as to the speed with which our children get back into the swing of learning.

The new Reception pupils have also settled in really quickly. We hope that the vast array of photos on display during the Friday assembly will assure any concerned parents that those tears which they may have seen at the door soon disappear once they join all their friends and teachers for another exciting day of learning! A selection of those pictures is available on the website for anyone who wasn't able to get to school for 'Good Works Assembly'.

One reason the new starters settle in so well, apart from the fantastic help they get from the 'old hands', is that most of them have already spent quite a bit of time with us at our pre-school afternoons, so if you think you'd like to come and join us in September 2020, or if you know any parents of pre-school children coming up to foundation stage age who might be interested then please tell them about our Autumn Art afternoon for pre-schoolers on 18th October (1:30-2:30pm).

We see an afternoon like this as a way of enabling parents to make a more informed choice about their child's education. These afternoons are always very exciting and enjoyable and places are limited, so please ring to book beforehand.

We will be holding our Harvest Festival Service on 11th October at 2pm in the village church when the children will be offering their traditional harvest donations. You are welcome to attend.

Contact the school on 01673 860295 to arrange a visit, request a School Brochure or you can contact us via the website www.hackthorn.lincs.sch.uk

NORMANBY & OWMBY

NORMANBY BY SPITAL PRIMARY SCHOOL NEWS

Time for the academic year 2019-202 to commence!! The start of a new year is always exciting for both teachers and pupils. It has been a bright start to another academic year which will no doubt be jam packed with fun and exciting learning opportunities. We welcome all our newcomers to Normanby School, all who have started in either Busy Bees or Discovery Class. The teachers are all looking forward to getting to know their new class members. A lot of work has taken place over the summer in both Discovery and Endeavour Class. The classrooms are looking all fresh and new. The outside area has also had a face lift, thanks to some parents who came in over the holidays.

The members of staff at Normanby started the year with joint training and conferences with the team from Faldingworth School. This covered first aid, planning joint projects and launching initiatives that will lead to the promotion of health and well-being for staff, pupils and the wider community. Our guest speaker was Debbie Barks, our designated local authority advisor, who spoke to our teams about collaborations in the context of small schools in Lincolnshire. We were also joined by Governors from both schools who updated us with their vision for the year and years to follow. The start of a great collaboration between two fantastic schools.

During our training day, it was decided that we would utilise the opportunity of working with another school and start to join together with various activities. At some point during the year, the children will get together with the children from Faldingworth and produce various bits of joint work such as art work and writing opportunities. Discovery class already have a trip planned to Sundown with the corresponding class at Faldingworth. We hope this will provide opportunities for pupils and staff to collaborate and benefit from meeting new people with different skills and interests. We hope that it will offer chances for children to meet wider groups of same age children which will help them prepare for the next stage in their education.

The time is coming up for parents to apply for their child's reception school place for September 2020! If you would like to arrange a visit to our school, then please phone Jacqui on 01673 878216. We will be pleased to show you around our happy, vibrant school. We also have a busy, fun pre-school for children to attend once they have turned 3 years of age. You are more than welcome to come and see how this is incorporated into our school environment.

WELTON VILLAGE LIBRARY AND COMMUNITY HUB

We are pleased to report that following the successful trial period of Saturday openings in the summer we are now able to recommence this each week with effect from Saturday 19th October. The times will be 10 am to 12 noon.

In addition *CoderDojo* is an exciting new venture aimed at families wanting to have some fun whilst learning skills in computer coding and will be on offer initially on a couple of Tuesday evenings in October.

CoderDojo is a global, open-source, volunteer-led movement that organises free, not-for-profit coding clubs (Dojos) for young people aged 7-17. At a Dojo, young people learn to program and develop websites, apps, programs, and games, they build things with code and electronics, and much more. Members also meet like-minded people, show off what they've been working on, and they can take part in national and international events, such as our Coolest Projects showcase (coolestprojects.org). CoderDojo makes learning to code a fun, sociable, and creative experience. You can find out more at coderdojo.com.

How to join - Attending is free of charge, however **signing up is necessary in order to guarantee your child a place**. Visit our Dojo web page and register your interest by clicking the 'Join' button: <https://zen.coderdojo.com/dojos/gb/welton-lincoln/welton-welton-village-library-and-community-hub> . Once there, you will also be able to reserve a space for upcoming Dojo sessions.

What should I bring to the event? All children should bring a laptop. In case you cannot provide one, we have a small number of loan laptops. Please add that your child requires one to the 'additional notes' section when booking a ticket.

Am I required to attend? Yes, children must be accompanied by a parent/guardian, who is required to remain on the premises for the duration of the session. You will be asked to help your child(ren) get set up and ready, though after this, our volunteer mentors will assist your children in their learning.

Should my child or I have prior coding knowledge? No, the Dojo is open to complete beginners as well as to young people who have coded before: we have skilled mentors who will help with technical questions.

So please join us on either Tuesday the 15th or the 29th October anytime between 6pm and 8pm however please note that we have a limited amount of spaces, so remember to sign your child up in advance for each session.

Last but not least Jim Blainey returns to the Community Hub to present a talk on Vancouver to the Rockies - the scenery and the wildlife plus a few hints on taking good photos, on Tuesday 29th October at 2pm, as usual all welcome to attend for what promises to be an interesting and informative afternoon.

WELTON FAMILY HEALTH CENTRE NEWS

*** 'FLU CLINICS' ***

For the 19/20 'flu season and for those that are eligible and fall into one of the 'at-risk' categories, NHS England have advised the use of two vaccines - one for those aged 65+ and one for under 65's. To ensure a safe and accurate system and so that we are able to allocate one vaccine for all those eligible, we will be organising our weekend 'flu clinics in the following ways:

This year's weekend 'flu clinics will be:

SATURDAY 28TH SEPTEMBER 2019: PRE-BOOKED CLINIC - FOR 65 years and under

SATURDAY 5th OCTOBER 2019: PRE-BOOKED CLINIC - for 16 years and over

SUNDAY 6th OCTOBER 2019: PRE-BOOKED CLINIC - for 16 years and over

HALF TERM WEEK (21st - 25th OCTOBER 2019) - PRE-BOOKED CLINICS ages 2, 3 and 4 year olds that aren't at school.

These clinics will all be PRE-BOOKED - please contact reception for an appointment. If you are attending the surgery for another appointment, please let the clinician know and they will organise the 'flu vaccine for you at the same time.

CARERS - If you are the main carer of an elderly or disabled person, whose welfare may be at risk if you fall ill OR you are in receipt of carer's allowance you will be entitled to a free 'flu vaccine. Please let our reception team know so they can add you to our carer's register in preparation for 'flu season.

DID NOT ATTEND (DNA) - In August, 98% of patients attended the surgery for their appointments. We would like to thank these patients for attending or those that cancelled appointments they were unable to make so that slot could be used by another patient. If you would like to be able to receive booking confirmations and text message reminders for appointments, please see Reception to sign up to this facility.

ON THE DAY APPOINTMENTS - Please can we remind patients that the surgery does not open until 8am each morning as clinical staff are not on the premises before this time. Doctors and Nurse Practitioners start seeing the patients at 8.30am. If you are feeling unwell particularly if you have chest pain, shortness of breath, severe bleeding or collapse please phone 999 immediately or for less urgent advice phone 111. **DO NOT COME AND STAND IN THE QUEUE OUTSIDE THE PRACTICE.**

The acute illness clinic closes at 9.15am every day. After 9.15am until 6.30pm if you need to see a doctor on the day please telephone the surgery and you will be directed to the best option to meet your needs. Please **DO NOT** use the surgery as a walk in centre as you may be disappointed when you are asked to go home to wait for a call from the doctor.

STAFF TRAINING - The surgery will be closed for staff training from **1pm on Tuesday 15th October 2019 until 8am on Wednesday 16th October 2019**. Please could we ask that you order any medication with as much notice as possible to enable us to meet the tight deadlines that we face. A minimum of two working days' notice is required please. For those that don't already use the service, we have facilities to order your medication online at any time, please see Dispensary for more details.

WELTON PATIENT AND DOCTORS ASSOCIATION

Autumn Fayre plans are being finalised and we still have a couple of tables available for hire. The cost is £10 so please give me a call if you would like to sell your own goods (anything except cakes)

We are looking for items of bric-a-brac, bring and buy (soup, biscuits, toiletries etc.) and bottles for the bottle and glass stall.

Thank you to everyone who responded to my request for apples, plums etc. I couldn't believe how many were generously offered but suffice to say I don't want to stone another plum or peel, core and stew another apple for a long time! Apologies to anyone whose offer I had to turn down.

The PDA AGM is being held on Thursday 17th October starting at 7.30pm in the Health Centre. We would like to see as many patients there as possible to hear about the work which the PDA Committee undertakes. If anyone is interested in joining the Committee please contact either myself or leave your details at reception. We meet around 6 times a year on a Thursday night.

The speaker will be Dr Watts one of the new GPs at the practice.

Finally the PDA has been short listed for the Co-op Community Champion for the spring quarter. **Below is the link to follow to vote for the PDA.** Please spread the word and if you have no access to the internet to vote please let me know and I will try to find a way of registering your support. Many of you registered your Coop cards to support the PDA so hopefully we will get enough votes to be chosen!

Online voting will be open from Monday 23rd September to Monday 21st October 2019. Lincolnshire Co-op members can vote online by visiting www.lincolnshire.coop/cvvote

There is also a facility for telephone voting which I can explain if anyone wants to follow that route.

Dates for 2019

Autumn Fayre - 26th October

Christmas Lunch - 6th December

If you require any further information on any of the above don't hesitate to give me a call (862570).
