## **FROM THE SPRINGLINE AND OWMBY GROUP CHURCHES**

Whilst we are officially without a stipendiary priest, the local clergy are taking turns to write these letters for our parish magazines. For the past eighteen months we have been thinking about life after Peter Godden; suddenly it is upon us. Whilst Peter basks in the glorious summer sun at Scarborough, we attempt to minister to the needs of his flock - hatches, matches and dispatches and heaps of paperwork.

There is usually a long gap between the departure of one parish priest and the arrival of another. This has certainly been our experience in the past. But times are changing, Bishop David has recommended a suitable person who has visited us and met a number of parishioners both formally and informally.

When the cardinals in Rome meet to select a new Pope, white smoke emerges from a chimney to signify a successful outcome. Not so in the Church of England; here a cloud of secrecy descends whilst numerous formalities occur. Hopefully, by the time you read this letter, the smoke will have cleared and we can all share the 'secret', welcome our new Rector and plan our future together.

It is an exciting time. One of Peter's last acts was to assist in the ordination of Julia Hepburn as a deacon - prior to priesting next summer - and the ordination of Sally Turnbull as a priest. But it does not stop there, Sue Deacon has been accepted for ordination and will proceed on the third year of her training with a new emphasis and direction.

Some wag said, "shops will run out of 'dog collars'. I don't think so. We may be lucky enough to have a large ministry team - clergy and lay people - but in other parts of the diocese they are like hens' teeth. In response, the reverend Richard Crossland and I already exercise a large part of our ministry outside these parishes. Something of which we would not have dreamt, just five years ago.

"The future's bright, the future's ..." what we make it.

God bless you all,

*Bill Williams*

## **BISHOP OF LINCOLN'S LETTER**

Dear friends,

Haven't we had a busy summer of sport? The Wimbledon Tennis Championships when our boy got closer than ever; the Olympic and Para-Olympic Games and even some Test Cricket which, at the time of writing, could go well or badly for England.

Of course, we in Lincolnshire had our own taste of the Olympics when the torch moved around the diocese for a couple of days. For those days it seemed as if that great international event, watched by 4 billion people all over the world, came to our part of England. I saw the torch in Skegness and Lincoln and could not fail to be moved by the response of local people celebrating, not only the Olympic movement, but also (in their choice of torch-bearers) their local communities and those who had made outstanding contributions within them.

Now it is all over and normal life resumes. The nights start to cut in and we look towards the autumn and even Christmas. So what have we learned from the summer?

I suppose the challenge is to take something of the sense of celebration and community spirit that we felt in July and August into the routine and mundane of life of the autumn.

God has given many great gifts to us - our lives, our bodies, our homes, our families and our communities, local and international. He has given all these dimensions of life for us to enjoy and to enhance the quality of our experience so that, by being the best people we can be, we come closer to the person God has made us to be.

Let us take something of the great summer of sport into the autumn. Perhaps a commitment to more exercise, but also a commitment to celebrate and enjoy what we have been given and look forward to his greatest gift of all God's very self in Jesus Christ, which will come to us again at Christmas.

Every blessing,

+Christopher Lincoln:

## BEING A DEACON

It's not the first time I have written parish letter for our various magazines, but it is the first time I have done so as an ordained member of your ministry team. As many of you know, having been a Reader for five years and active in ministry in the Springline parish for rather longer than that, I was ordained deacon on July 1st, just 5 weeks ago at the time of writing. If you will indulge me, I would like to share with you some of my thoughts and experiences during this first month of my diaconate.

What is a deacon? A deacon is a servant, a helper (diakonos in Greek). You can read about the very first deacons in the Acts of the Apostles (Acts 6:1-6). St Paul refers to deacons in his letters, for example Romans 16.1 & Philippians 1.1. So my role is to serve, to assist. You will find me assisting in the pastoral care of the people who live or work in, or visit our villages, continuing to lead worship and to preach. I have a particular role at the Eucharist, performing this role is something I find mostly especially fulfilling and joyful. (Come along and see if you want to know what it is.) I am learning fast about all sorts of things from burying ashes to baptising babies.

I particularly want to write about baptism. It has been an honour, and a joy, to baptise people for the very first time and I am looking forward to doing so hundreds of times in the future. I would like to ask for your help in this. Baptism, or Christening as we English have liked to call it, is the sacrament by which a person is welcomed into the Church, the family of the people of God. It is therefore important that the people of God are present when someone is baptised, in order that they may welcome the newly baptised in the Church. - Whenever someone is baptised in an emergency, because he or she is thought to be in danger of imminent death, should he or she survive, he should come (or be brought) to church to be welcome into the church. - Please whenever you see that there is going to be a baptism in the church in your village make a special effort to be there to welcome a fellow child of God into the Church, the family of God. We are all children of the same heavenly Father.

With love to you all,

The Revd Julia Hepburn

## THOUGHT FOR THE MONTH

Be thankful that you don't already have everything you desire. If you did, what would there be to look forward to?

Be thankful when you don't know something, for it gives you the opportunity to learn.

Be thankful for the difficult times. During those times you grow.

Be thankful for your limitations, because they give you opportunities for improvement.

Be thankful for your mistakes. They will teach you valuable lessons.

Be thankful when you're tired and weary, because it means you've made a difference.

It's easy to be thankful for the good things.

A life of rich fulfilment comes to those who are also thankful for the setbacks.

Find a way to be thankful for your troubles, and they can become your blessings.

If you have something you think would be suitable for "Thought For The Month", please send it to the editor.

A preacher was completing a temperance sermon: with great expression he said, "If I had all the beer in the world, I'd take it and throw it into the river." With even greater emphasis he said, "And if I had all the wine in the world, I'd take it and throw it into the river."

And then finally, he said, "And if I had all the whiskey in the world, I'd take it and throw it into the river."

He sat down. The song leader then stood very cautiously and announced with a smile, "For our closing song, let us sing Hymn number 365: "Shall We Gather at the River."

# HACKTHORN & COLD HANWORTH

## HACKTHORN C. OF E. PRIMARY SCHOOL

Just before we rush headlong into another school year, there is just time to share the thoughts of some of those who left us in July.

"I can't believe I have been here for seven years. It has been brilliant the whole time."

"I will never forget Hackthorn out of all the other schools that I have been to."

"It's been a fantastic time at Hackthorn school."

"I have had a brilliant time at Hackthorn school, I will definitely come back and visit."

"I will always remember my 7 years at Hackthorn school."

"It has been a great time at Hackthorn school. I will never forget it."

It will soon be time for parents to start thinking about choosing that all-important first school for children who are due to start in September 2013. We will be organising some activity days soon to give you an opportunity to see our school in action and allow your child to experience what we have to offer at first hand.

It is more important than ever that you come and see yourself what we have to offer, because, for the foreseeable future, the only route into the school will be via reception now that all our other year groups are oversubscribed.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look round our website at [www.hackthorn.lincs.sch.uk](http://www.hackthorn.lincs.sch.uk)

## DOG WALKERS

As a dog walker myself I have noticed that there is a problem with dog mess particularly on Church Hill and Cliff Road - a route I use regularly. May I ask owners to ensure that they do clear up after their dogs, as it is very unpleasant for other people to be confronted with such mess. I appreciate that it is easy to forget to take a bag with you, but please make an effort to do so as it is sad to see our lovely village spoiled by such unsightly happenings.

Thank you

## **NORMANBY-BY-SPITAL PARISH COUNCIL NEWS**

### **Private Lane:**

The potholes have been filled in, though we are not sure how long they will last. It would be appreciated if any hedges or bushes overhanging the pavements be cut back.

Nothing to report over the possibility of a recreation ground - but we are still working on it.

### **The cemetery:**

The gates are sometimes being left open. If you open them, could you please close them after you go through them and if you see them open, do please close them.

The black dustbin in the cemetery is for normal rubbish, whereas the green wheelie bin is for garden type waste - the same as for households. If you attend a grave could you please make sure you put any grass cuttings or flowers into the green bin and plastic wrappings, artificial flowers - even cans and bottles as we do not have a blue bin - can go in the black bin. Also, could you please make sure the waste goes into the inner bag in the black bin. Someone has to empty these bins and Len Brown used to deal with the black bag - thank you very much for

this Len, but now we hope we have arranged for WLDC to deal with that one.

The green wheelie bin has to be walked over to a property in Normanby every other week (and then walked back). Thank you Susan.

We know that around Christmas time a lot of fresh or artificial wreaths are laid on some of the graves and it really is a lovely sight especially knowing that people are not forgotten even after many years - so I am finding this a little difficult to say, but once the wreath is faded could you please put it in the black wheelie bin, (just over the winter time when the green bin is not emptied).

We would like to make the cemetery a very tranquil place and would like anyone who either just walks through or visits a grave please to think of everyone else. There are some very beautifully kept graves - please respect those and all the other graves, no matter what condition they are in.

The next full Parish Council meeting has been arranged for Wednesday 10th October

## GLENTHAM PARISH COUNCIL

### NOTES ON COUNCIL MEETING HELD ON 2nd AUGUST

#### **Council matters**

Discussions between the Parish Council and members of the public revealed a keenness to form a band of volunteers willing to give a little time and effort to maintain the appearance and facilities of Glentham parish. Such a scheme brings many benefits, including saving taxpayers' money. A strong sense of community involvement would also arise, engendering a sense of pride and ownership in the locality. For example, volunteers are sought to keep the beck clear of undergrowth and rubbish and generally smartening up this asset to the village. Another project soon to be started involves planting a large number of bulbs around the parish. People with handyman skills would be most welcome to help in a variety of small tasks, while others who would simply like to 'lend a hand' would also be appreciated. If you would like to be included in the **Maintenance Club**, please contact any Councillor or the Clerk, details below.

Public assistance is also needed concerning the Church clock. This is in need of major overhaul,

and there is a possibility of a grant from the War Memorials Trust, but first we have to show it is a war memorial. If you have any information on this, no matter how little, please let the Clerk know; this could gain the parish a substantial sum of money.

Finally, the Council would like to draw your attention to the Highways Defect Reporting facility on the Lincolnshire County Council website. Using this, anyone can report a pothole, and the Parish Council encourages everyone to consider doing this, since the more reports LCC receives, the more likely some action will be taken. Alternatively you can ring the County Council on 01522 552222. Of course, the Parish Council will continue to make representations for repairs where necessary.

#### **Dates of next meetings**

The next Council meetings are scheduled for Thursday 6th September and Thursday 4th October at 7.30pm in the Village Hall. There is always an open forum for the public to raise any parish issues and everyone is welcome.

### **WELTON HEALTH CENTRE NEWS**

Thank you to all who were involved in our recent appointment system patient survey. The results are to be published shortly on our website and also in the surgery. We will be discussing them with our Patient Group and agreeing an action plan to address some of the issues and suggestions raised during the next few weeks. If anyone wishes to join our "virtual patient group" to help us undertake surveys please ask our reception staff for a form - your feedback is important to us and all responses are given full consideration.

Dr Porter has now commenced her maternity leave and we are working with a variety of experienced locums during the time that Drs Porter, Gomez and Nellist are away from the surgery. This will inevitably mean that patients may need to see a different doctor to the one they normally consult and booking an appointment with the doctor of their choice may be more difficult at certain times. As Dr Barton only consults on two days per week his accessibility is naturally limited and we hope however that patients will understand the rather unique situation we find ourselves in currently and bear with us during the next few months. On occasions doctors are unavailable and some patients vent their frustrations on our staff who are unable to meet their requests for a certain doctor. Surgery consultations are one part of the

doctor's working day but they also have many other demands on their time - attending courses as part of their professional development, a host of various meetings, giving evidence in court, participating in child protection discussions, supervising training of other doctors and preparing tutorials, etc. and inevitably these will affect availability within the practice.

We are currently re-vamping our recall system for patients with chronic diseases with a view to aligning the annual "check up" in line with the month of their birthday. We hope to streamline the system and ensure that patients have had the requisite blood tests taken prior to attending for review in order to ensure that all results are available to the clinician to discuss with the patient when attending. Additional ad hoc blood tests may also be required and will obviously be accommodated within the system but if you receive a letter from the Practice asking you to attend for a review please make sure you also make an appointment for blood tests first if requested to do so. We appreciate it will take time for the new system to be fully functional but we hope to help reduce the number of times patients are called in and hence make the whole process run more efficiently.

## **WELTON PATIENT AND DOCTORS ASSOCIATION**

### **PATIENT TRANSPORT**

As I am sure most people are aware, The PDA Voluntary Transport Scheme provides transport to any medical appointment including to the Health Centre, when no other means of transport are available. Could I ask all patients requesting transport to hospital, dentist, optician etc to please make a note of the driver's name and pick-up time when I confirm these to you? I know that in most cases this happens but, in the event that you need to cancel the transport on the day, you will need the drivers name to inform the Health Centre so that they can cancel the driver and avoid a wasted journey.

If anyone reading this would be interested in becoming a Volunteer Driver for the PDA please give me a call (862570) I will explain how the system works and how you could become involved.

The PDA committee have been busy making further preparations for the Autumn Fayre to be held at Welton Village Hall on Saturday 13th October starting at 2pm. Raffle tickets are beginning to sell from the various outlets who have kindly agreed to sell on our behalf. They can be bought from Health Centre Dispensary, Essential Looks Hair and Beauty, Dunholme, Taylors Pet Foods, Welton, The Paper Shop,

The Green, Welton or any PDA driver. We are still looking for donations of good quality bric a brac, tombola items and items for the bottle and glass stall. This can be anything made of glass or in a glass container. We will also be accepting grocery items, either packets or tins, providing they will still be within their sell-by date on 13th October. These are for a new attraction we have planned! Any of the above can be collected by calling me on 862570 or Roy Minnitt on 860980.

We have had an excellent response from people wanting to hire tables and we now have a waiting list in case of cancellations. We have stalls selling jewellery, handmade bags, paintings of both local scenes and wildlife, books, toys, games, fabrics, handmade greetings cards, Textiles, paper craft, knitted goods, Christmas items and much more so come along and get some early Christmas presents.

We will be running a 'cafe' in the Monce Room again this year so that you can take the weight off your feet and enjoy something to eat and drink before having another look around the many stalls and games.

 Starring Joe Bone

This one-man comedy with a live guitar soundtrack, follows anti-hero, Bruce Bane, a tough talking wise cracker, as he journeys through life on the mean streets of a fictional American city.

Writer and creator Joe Bone plays all of the characters bringing his comic anti-hero and tale of bloody revenge to life with just his body, his voice and a stunning live guitar soundtrack from Ben Roe.

Heavily inspired by film and graphic novels, the performance uses skilled movement and sound effects to conjure the setting, with multiple character switching to create a filmic tapestry on stage that is funny, engaging and, at times, moving.

A young lad was visiting a church for the first time, checking all the announcements and posters along the walls.

When he came to a group of pictures of men in uniform, he asked a nearby usher, "Who are all those men in the pictures?"

The usher replied, "Why, those are our boys who died in the service."

Dumbfounded, the youngster asked, "Was that the morning service or the evening service?"
