PRAYER FOCUS FOR SEPTEMBER

This month we give to God in prayer the complex situation concerning the movement of people across the world. We pray for those in authority and those who must make careful decisions, for those who are far from home and are seeking a better future, and for those whose livelihoods have been affected by recent events on the south coast, such as haulage companies and their employees and local businesses. We thank God for the contribution and gifts of all people offered throughout history and we pray for all that makes for peace in our time. *Amen.*
